Who is a Newcomer?

Definition of “Newcomer”: an English Learner student who enrolled in a United States school within the last two years (approximately 24 months) and is at the emerging stage of English proficiency.

Why a Newcomer “Academy”

- Centralize services and supports to maximize resources for students and families
 - Smaller class sizes
 - Specific scheduling cohorts
 - Bilingual teachers and paraeducators
 - Bilingual Social Worker
 - Community outreach and resources (e.g. housing, medical, food)
 - Targeted interventions
 - Targeted presentations and trainings
 - Focus on “wrap around” with students and families - beyond academics
 - Integrated supports in non-ELD required courses
- “Academy” allows for reduced graduation credits for those newly arrived to U.S. as juniors and seniors or a 5th year of high school.

Other Academy Benefits

- Students at WHS and TOHS who opt-in to Academy are provided with free transportation
- Students can return to their neighborhood school after 2 years in the Academy, or are welcome to remain at NPHS after if they choose to continue
- Tutoring Services
 - Targeted tutoring services available specifically for newcomer students during lunch time. As an incentive, our social worker has made special arrangements with the cafeteria staff where she picks up the student lunches so students do not have to wait in line to get their lunch. Tutoring is provided by student peers who are fluent in Spanish.
- Create a community with the students and families
 - Examples of International Holiday Celebration with families prior to winter break
 - Share resources between and among families
