

**Dedicated to the BEAT<sup>2</sup>**  
Bringing Education, Arts & Technology Together

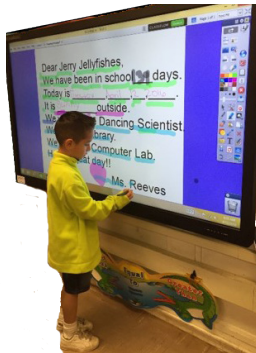

### We Value the Arts

- 🐾 Music Classes and Walnut Chorus
- 🐾 Art and Dance    🐾 Band and Strings
- 🐾 Yearly musicals in each grade
- 🐾 Drama Club
- 🐾 Create Club: a recess option that allows students to make their own artistic creations with recycled materials

### We're Forward Thinking with Technology

- 🐾 Two full Computer Labs
- 🐾 Credentialed Computer Specialist
- 🐾 iPads and laptops for learning
- 🐾 Multi-Touch Interactive Boards
- 🐾 Digital Fluency Instruction
- 🐾 Coding Club teaches students the basics of coding as they write code and program Ozobots
- 🐾 All digital learning programs are individualized, web-based & accessible at home

# Walnut Elementary School

*Academic Excellence for All in a Safe, Enriching Environment*

# We Meet Students' Academic Needs & Passions

All of our students participate in focused, small group instruction each day during Target Time. Additional credentialed teachers work with our classroom teachers to ensure each student receives a "just right" fit—whether that's extra support, grade-level practice, or academic enrichment.

## Welcome to Walnut A Letter from Our Principal

Walnut is a little elementary school with a BIG heart, where every student is valued and encouraged to develop a lifelong love of learning.

We believe in developing the whole child, so we invest in the visual and performing arts, technology, and physical fitness in addition to traditional academics.

Walnut has an active PTA, School Site Council, and English Language Advisory Council. Each of these groups of parents and community members would LOVE to have YOU join them in making sure Walnut provides the best possible learning environment for students and families.

Visit our website, find us on facebook and follow us on Twitter to see more of how our Walnut Wildcats achieve academic excellence and pursue their passions for learning every day!

Warmly,  
Principal Aileen Wall

- Small class sizes ensure all students receive the support they need to achieve academic success. In grades K-3 our average class size is 21 to 1
- Six additional credentialed teachers support student academic intervention and enrichment
- Implementation of Next Generation Science Standards, including STEM project-based learning

- Kindness Certified School 2018
- GATE (Gifted and Talented Education)
- Character Development for all students
- After-School Tutoring available with Walnut teachers
- On-site child care is available to students from 7 a.m. to 6 p.m. (based on availability)
