- Working on budget
- Upcoming event - Halloween drive-by Parade

DAC Report (Angela Bagnuolo):

- DAC met several weeks ago via zoom
- All Elementary, Middle and High Schools had a rep in attendance

Meeting Minutes

We broke into small working groups to give the district feedback on issues such as Communication and Special Student Populations. The groups were constructive and much feedback was given.

ELAC (Katrin Bergauer):

Dr. Miller talked at length about the waiver and bringing back at-risk kids as soon as possible in small cohorts, even without the waiver.

GateDAC (Bernard Kuai):

4% of students are Gate

Gate testing will occur this year, but must be done in-person, so will be postponed

SEDAC (Jennifer Fitzgerald):

Much of the same as was discussed at the DAC and ELAC meetings

Also covered a temporary/emergency IEP designation

Ms. Triplett's report:

CVUSD has applied for the waiver and the County is also getting closer to the next tier, so the school is simultaneously planning for students to return under either scenario. Also working on special needs cohorts returning even sooner.

Progress reports coming out at Materials pickup on October 14th

Teacher Parent conferences week of October 19

Live Specialists start next week

Interventions start next week for 1st and 2nd graders and EL students

Detailed reopening plans are shared via Ms. Triplett's screen share. Please see the separate presentation for details.

A similar slide show will be going out to parents once we have a reopening date.

Safety Plan will need to be approved at next SSC meeting

SPSA 2019-2020 plan - goes over goals from last years plan (slide show shown)

SPSA Meeting dates: 10/7 at 10am, 10/14 at 1pm, 11/4 at 10am.

Adjournment
