Unfinished Business

SPSA!!

Mrs. Culpepper went over the details of this 96 page "living document" which outlines our goals and how we plan to meet them.

Please see full document for details.

Some points of interest -

Our enrollment has dropped from 574 to 466.

In English and Math over 90% of students were meeting or exceeding expectations.

We need to focus more on our English learner and special education students - interventionists are being hired for this.

100% of students reported positive feelings about school.

95% of parents report positive feelings about the school

Motion to approve SPSA - unanimous approval

Meeting Minutes

New Business

Discussion about parents on campus for drop off and pick up.

Angela B - a lot of parents, including myself really enjoy being on campus, we missed it so much during covid, really nice to be back

Katrin - kids need the return to normalcy

Tim - concern that many parents aren't wearing masks. With large groups of people outdoors, masking is recommended.

Katie W - agree it's nice to be able to walk onto campus, seems like not a big deal to ask for parents to wear masks.

Mrs. Culpepper - Thanks for the thoughtful discussion, at our principals meeting they wanted us to gather this feedback.

Meeting is adjourned
