

Conejo Valley High School

School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2018-19)

School Contact Information

School Description and Mission Statement (School Year 2018-19)

MISSION STATEMENT

Conejo Valley High School, a California Model Continuation High School, offers an outstanding alternative program for high school students in the Conejo Valley Unified School District. With strong support from the district's School Board, administration and comprehensive high schools, Conejo Valley High School is able to provide a varied curriculum to meet the needs of our students. The school and its staff are committed to giving students a place where they feel secure, providing students with hope, helping students to become resilient and assisting students to get on track for success.

The mission of Conejo Valley High School is to engage students in a safe and secure learning environment which emphasizes real world application, collaboration, innovation, self-direction, digital literacy, healthy living, social responsibility and global awareness.

SCHOOL DESCRIPTION

Conejo Valley High School is designed for students whose unique educational needs require more individualized programs. Our alternative school allows acceptance and appreciation of students with differing abilities, interests, motivations, and learning styles. These differences are addressed by small group instruction and personalized education programs which allow students the freedom to try new skills, make and correct mistakes and experience success. This personalized approach encourages the students to master a core of knowledge and develop positive self-images, thus leading to self-acceptance, healthy personal lives and becoming productive citizens.

Conejo Valley High School was opened in 1974 as the Alternative/Continuation School for the Conejo Valley Unified School District. It is one of five high schools in the District, which provide services to a student population of over 6,000.

Combining the population of students in our programs, the school has a capacity of 195 students. Direct instruction is utilized in most classes. We also have individualized instruction which can be computer or text based. Students are placed in the classroom settings which meet their individual needs. This personalized program allows students to learn at their own pace and ability level. Students earn standard or college preparatory levels of credit. Courses other than Physical Education are limited to 22 students, but the average class size is one teacher per 18 students. Conejo Valley High School is accredited by WASC and was awarded Model Continuation High School Status in 2015. The certificated staff includes two administrators, one counselor, ten regular education teachers, one special education teachers and one part-time teacher in our Career and Technical Education Program. We also have a part-time, fully credentialed math tutor for our EL (English Learner) population. The classified staff includes two secretaries, one custodian, one health clerk, and one Instructional Media Technician. We also have a part-time college and career center technician, an EL coordinator and a food-services coordinator.

Student Enrollment by Grade Level (School Year 2017-18)

Grade Level	Number of Students
Grade 10	2
Grade 11	39
Grade 12	71
Total Enrollment	112

Student Enrollment by Group (School Year 2017-18)

Student Group	Percent of Total Enrollment
Black or African American	0.9
American Indian or Alaska Native	0.0
Asian	1.8
Filipino	1.8
Hispanic or Latino	52.7
Native Hawaiian or Pacific Islander	0.0
White	40.2
Socioeconomically Disadvantaged	62.5
English Learners	7.1
Students with Disabilities	10.7
Foster Youth	4.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19
With Full Credential	11	10	10	873
Without Full Credential	0	0	0	1
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	37

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016-17	2017-18	2018-19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: July 2018

All K-12 students have current standards-based textbooks in math, science, history/social science, and English/language arts. With each curricular cycle established by the State of California, the Conejo Valley Unified School District (CVUSD) Board of Education adopts textbooks within the timeline provided. Standards-aligned books for grades 9-12 are approved locally. Textbooks in grades K-8 are selected from lists of books and materials approved by the State Board of Education. Sufficient standards-based textbooks and instructional materials have been purchased for all students in English, math, history/social science, science, health and foreign language. In addition, annually, sites receive specific science supplementary funds to be used for consumable laboratory expenses and/or equipment.

The process of selecting textbooks and materials involves the formation of a committee charged with the responsibility of reviewing current state standards and frameworks, analyzing student data, writing courses of study, as required, and selecting and maintaining current instructional materials. The goal of such district-wide committees comprised of teachers and administrators representing all targeted grade levels, is to achieve high academic standards for all of our TK-12 students. Each major subject area, such as math, science, history/social science, foreign language and English/language arts, is reviewed and adopted under the guidance of the California Department of Education and State Board of Education. The committee submits its recommendations to the Board of Education for final approval. The recommendation to the Board includes the basic textbook materials as well as supplementary materials within the subject. On October 16, 2018, the CVUSD Board of Education approved a resolution for the 2018-2019 school year declaring that the Conejo Valley Unified School District has provided each pupil with sufficient standards-based textbooks and instructional materials consistent with the cycles and content of the curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

Each fall, a team that consists of all or many of the following personnel, inspects each school in the Conejo Valley Unified School District: Site Administrator, Director of Maintenance and Operations, Director of Planning and New Construction, and the Assistant Superintendent. A facilities evaluation is completed documenting the condition of the school in a variety of areas, including the cleanliness of restrooms, condition of roofs, paving and walkways, HVAC systems, landscape maintenance, etc. Any observed condition that represents a threat to the health and safety of students and staff is annotated for immediate correction. Items noted which could improve the utility, appearance, or safety of the school are recorded and evaluated for potential placement on the District’s annual Major Projects List. The projects included on the final Major Projects List are based upon a priority assessment of all identified District school needs and the funds available to address those needs. The final list is approved by the Board of Education in the spring, with the majority of projects completed the following summer. Each year, the District participates in the State’s Deferred Maintenance Program and these funds have been a significant source of support for the annual Major Projects List in recent years. The District revises and submits a Five-Year Deferred Maintenance Plan to the Office of Public School Construction (OPSC). The District has not been required to make its normal contribution to the Deferred Maintenance Fund since the 2008-09 school year and the State’s annual contribution has been utilized for other “educational purposes”, with this flexibility continuing through the current year. Deferred Maintenance Program projects will be prioritized and funded with carryover funds from previous budgets or as augmented by future funding.

The District provides 1 full-time custodian at Conejo Valley High School and they follow District-defined cleaning standards and schedules to ensure that the school provides our students and staff with clean, healthy, and attractive learning environments. Conejo Valley High School was relocated to 1402 E. Janss Road in July 2017. The school has 11,975 square feet comprised of 10 classrooms, a multipurpose room, a library, counseling, and administration offices. The building was completely remodeled to accommodate the program needs of the school prior to relocation. The current enrollment at Conejo Valley High School is 120 students. The school was inspected by the District Site Inspection Team in December 2018.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year) Year and month of the most recent FIT report: December 2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Poor	3: Minor dry rot on exterior wall by kitchen
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: December 2018	
Overall Rating	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	8.0	9.0	67.0	63.0	48.0	50.0
Mathematics (grades 3-8 and 11)	0.0	0.0	59.0	57.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	71	58	81.69	8.62
Male	39	34	87.18	5.88
Female	32	24	75.00	12.50
Black or African American	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	38	32	84.21	3.13
White	24	19	79.17	10.53
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	44	37	84.09	10.81
English Learners	20	16	80.00	0.00
Students with Disabilities	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	71	63	88.73	0
Male	39	38	97.44	0
Female	32	25	78.13	0
Black or African American	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	38	35	92.11	0
White	24	20	83.33	0
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	44	40	90.91	0
Students with Disabilities	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Career Technical Education Programs (School Year 2017-18)

The needs of students in Career Technical Education (CTE) programs are supported by administrators, counselors, the School-to-Career coordinators, teachers and the Student Study Team. The programs are voluntary and have a non-discriminatory recruitment and selection process. Teachers are provided with staff development, other resources, and time to develop instructional strategies that foster critical thinking, problem solving, leadership, and academic skills. Students receive support such as mentoring and tutoring. A high priority is also given to CTE programs, which have traditionally served at-risk students.

The District funds three full-time Career Education Coordinators at the comprehensive high schools and a part-time Career Education Coordinator at the continuation High School. One of their primary tasks is to increase our outreach to business, labor, and post-secondary education. In addition, information about local occupational needs is gathered from a variety of sources. District and school advisory panels include business partners, labor, post-secondary representation, teachers, counselors, and administrators. School-to-Career coordinators regularly attend Chamber of Commerce Education Committee meetings and the Area Coordinating Team (ACT) meetings. Labor Market Information for Ventura County is used to survey the fastest growing occupations for the period 2008-2018. All of this data and the Core Indicators generated for Carl Perkins reports are used by schools and the District to measure the effectiveness of their Career Technical Education programs and courses. The district also receives funding for our CTE pathways from the Carl Perkins grant and the California Career Pathways Trust grant.

Conejo Valley High School offers one Career Technical Education pathway. The Social Entrepreneurship pathway offers students the opportunity to learn the skills and competencies of enterprise in a socially conscious manner. Classes include Social Awareness (Participant), 21st Century Marketing (Concentrator), and Virtual Entrepreneurship (Capstone). The goal is to connect students' passions for helping others through projects and volunteering. Next students learn important business and marketing skills through the latest technologies. By the final class, students will have prepared a final business plan to be presented to a panel of industry experts. Currently, many of CVHS students work and use social media but haven't done so in a venue that promotes their own social enterprise. This pathway is intended to lead to the creation of student small businesses with a desire to help improve their communities. Language arts, math, government, and economics provide an abundance of germane assignments that relate to this pathway.

Conejo Valley High School also offers a CTE course titled Mind Matters. Mind Matters is a course provided through the county's Career Education Center, but taught by a Conejo Valley High School teacher. Mind Matters students explore the high-demand career field of mental and behavioral health. Students have the opportunity to assess their own mental and behavioral health status, and to explore various prevention, diagnostics, treatment, basic counseling skills, and case management strategies when working with mental health and behavioral health challenges and illness. Students will assess the system-wide successes and barriers of healthcare on a national scale.

Conejo Valley High School has a College and Career Coordinator who works out of our Career Center. Our coordinator assists our students with college and FAFSA applications, coordinates college and career-related field trips, brings in career-related guest speakers, identifies student career interests, and helps students find employment and internship opportunities.

The principal represents the school on the District's CTE advisory committee and articulation committee. Additionally, CVHS CTE teachers attend advisory meetings and trainings through the Career Education Center.

Career Technical Education Participation (School Year 2017-18)

Measure	CTE Program Participation
Number of pupils participating in CTE	17
% of pupils completing a CTE program and earning a high school diploma	11%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	28%

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2017–18 Pupils Enrolled in Courses Required for UC/CSU Admission	86.6
2016–17 Graduates Who Completed All Courses Required for UC/CSU Admission	0.0

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

At Conejo Valley High School, parents are encouraged to participate in the School Site Council (SSC), District Advisory Council (DAC), English Learner Advisory Committee (ELAC), Job Shadowing, WASC self-studies and our Back to School Night in the. We also offer several parent information nights regarding college access, financial aide, parenting skills and pertinent community information as it relates to teens. These are available through the school and district. Parents are notified by phone and e-mail with Parent Link and our website is regularly updated. For further information contact the school at 498-6646 x 204.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Dropout Rate	13.6	13.6	9.7	1.8	1.2	0.9	10.7	9.7	9.1
Graduation Rate	86.4	78.8	72.6	97.4	97.7	96.9	82.3	83.8	82.7

For the formula to calculate the 2016–17 adjusted cohort graduation rate, see the 2017–18 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

Completion of High School Graduation Requirements - Graduating Class of 2017 (One-Year Rate)

Group	Graduating Class of 2017		
	School	District	State
All Students	98.3	98.2	88.7
Black or African American	0.0	97.0	82.2
American Indian or Alaska Native	0.0	100.0	82.8
Asian	100.0	98.9	94.9
Filipino	100.0	100.0	93.5
Hispanic or Latino	80.0	94.1	86.5
Native Hawaiian/Pacific Islander	0.0	100.0	88.6
White	100.0	99.6	92.1
Two or More Races	0.0	98.4	91.2
Socioeconomically Disadvantaged	100.0	100.0	88.6
English Learners	33.3	54.2	56.7
Students with Disabilities	100.0	88.8	67.1
Foster Youth	0.0	100.0	74.1

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	19.2	25.0	19.1	2.5	1.8	2.3	3.7	3.7	3.5

School Safety Plan (School Year 2018-19)

Site specific District Disaster Preparedness Plans and School Safety Plans are developed, revised and updated each year through a collaborative process obtaining appropriate approvals. Safety plans address: a) child neglect and abuse reporting; b) disaster procedures; c) policies and procedures regarding dangerous students and bullying/harassment d) sexual harassment & nondiscrimination policies; e) dress code; f) safe ingress/egress; g) school rules related to discipline and safe schools. Likewise, all school sites routinely practice Fire, Earthquake and Lock Down drills throughout the school year. District policies and administrative regulations are reviewed and updated on a regular basis to remain present-day and consistent with current law.

A well-planned communication equipment system consisting of intra-district two-way radios and walkie-talkies is located at all sites for daily use and in preparation for possible emergency use. Moreover, local bond dollars support needed physical and safety upgrades at all school sites.

The District’s Human Resources department provides training on an ongoing basis to certificated and classified staff. Each year, new employees are offered CPR and First Aid Training through organizations such as the American Red Cross and American Lung Association. The District has also installed Automated External Defibrillators in nearly all facilities.

The District also has partnered with the City of Thousand Oaks, the Conejo Recreation and Park District and the Ventura County Sheriff's & Fire Departments for coordinating response and resource allocations in major emergencies. Additionally, with the generous support of the City of Thousand Oaks each comprehensive high school enjoys the services of a full-time Student Resource Officer (TOPD).

Average Class Size and Class Size Distribution (Secondary)

Subject	2015-16			2016-17			2017-18					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	4.0	36			4.0	26			5.0	32		
Mathematics	2.0	40			2.0	40			4.0	28		
Science	4.0	16			8.0	7			6.0	9		
Social Science	4.0	33			5.0	29			6.0	21		

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2017-18)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1.0	109
Counselor (Social/Behavioral or Career Development)	0.5	N/A
Library Media Teacher (Librarian)		N/A
Library Media Services Staff (Paraprofessional)	0.6	N/A
Psychologist		N/A
Social Worker	0.2	N/A
Nurse		N/A
Speech/Language/Hearing Specialist		N/A
Resource Specialist (non-teaching)		N/A
Other	4.6	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$23,915	\$2,028	\$21,887	\$68,834
District	N/A	N/A	\$5,971	\$80,176
Percent Difference: School Site and District	N/A	N/A	114.3	-15.2
State	N/A	N/A	\$7,125	\$79,665
Percent Difference: School Site and State	N/A	N/A	101.8	-14.6

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

Per pupil expenditures include funds expended for all instructional services. These include transportation, food services, health services, counseling services / mental health services, instructional materials and maintenance. The Local Control Funding Formula provides the bulk of funding for nearly all programs with the exceptions of federal categorical allocations and state and local grants.

Categorical funding provides support for Special Education Services – (All Schools), Title I Services - PI transportation (school choice) and Alternative Support Services (Six elementary schools), Title IIA – Professional Development (All Schools) and Title III - English Language Learners / LEP and Immigrant (All Schools) and Perkins – Career Technology Education (High Schools). Community and parent support groups bolster many programs and services across the district. The Conejo Schools Foundation, PTA's and Booster Clubs contribute significantly to activities such as performing arts, athletics, academic competitions, etc.

Conejo Valley Unified also receives additional financial support through grant funding such as: College Readiness Block Grant - Tobacco Use Prevention Education Program (TUPE) - (Middle and High schools) and Career Technology Education – Ventura County Innovates (CTE) – (Middle Schools & High Schools).

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$45,771	\$49,512
Mid-Range Teacher Salary	\$74,469	\$77,880
Highest Teacher Salary	\$94,293	\$96,387
Average Principal Salary (Elementary)	\$113,242	\$123,139
Average Principal Salary (Middle)	\$116,029	\$129,919
Average Principal Salary (High)	\$128,062	\$140,111
Superintendent Salary	\$219,549	\$238,324
Percent of Budget for Teacher Salaries	41.0	36.0
Percent of Budget for Administrative Salaries	5.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2017-18)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	N/A
English	0	N/A
Fine and Performing Arts	0	N/A
Foreign Language	0	N/A
Mathematics	0	N/A
Science	0	N/A
Social Science	0	N/A
All courses	0	.0

Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

The Conejo Valley Unified School District is committed to providing professional learning activities for all classified and certificated staff members. Staff continues to enhance the skills necessary to deliver effective instruction through the implementation of Common Core Standards. A robust professional learning effort includes opportunities in researched-based instructional strategies, technological competencies, and Professional Learning Communities. The District's Local Control Accountability Plan (LCAP) prioritizes an entire goal with subsequent actions and services in order to "ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes."

Professional learning strategies such as workshops, institutes and academies, as well as job-embedded activities relate to College and Career Readiness, Positive Behavior Support, Smarter Balanced Assessments, and other required skills and competencies to meet the needs of all students. Professional learning topics align with District and school site needs identified through and outlined within the District's LCAP goals and the schools' School Plan For Student Achievement. Professional learning for high school faculty and staff members align with each school's WASC action plan.

The District also provides an accredited and free Teacher Induction Program to first and second year teachers, as well as both a voluntary and required Peer Assistance Review program.

Site administrators receive continuous training at bi-weekly meetings and through a full-day training at the start of the school year. In addition, the Ventura County Office of Education offers a professional learning series specifically designed for district and site administrators. Administrators attend workshops in Common Core Standards, Multi-Tiered System of Supports, performance assessment, social-emotional learning, supervision, evaluation, and leadership.

In addition to professional learning activities offered to the District's teachers and administrators, classified employees receive training that is specific to their assignments.

The District is committed to providing professional learning activities to every educator to improve the instructional process and enhance student achievement. Teachers and administrators participate in three full-day trainings to support curriculum, instructional technology, assessment, report cards, instructional strategies, and the use of data to teach all students.
