BP 5145.7

Sexual Harassment

Students

Note: Title IX of the Education Amendments of 1972 (20 USC 1681-1688) prohibits discrimination based on sex by recipients of federal financial assistance. School districts are responsible under Title IX and the regulations for the issuance of a policy against sex discrimination (34 CFR 106.8). Sexual harassment is a form of sex discrimination under Title IX and can deny or limit a student's ability to participate in or receive education benefits, services, or opportunities on the basis of that student's sex.

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

Note: OCR's January 2001 Revised Sexual Harassment Guidance and 2011 Dear Colleague Letter: Sexual Violence note that, regardless of whether a harassed student, his/her parent/guardian, or a third party files a complaint under the district procedures or otherwise requests action on the student's behalf, a school that knows, or reasonably should know, about possible harassment must promptly take action to determine what occurred and then take appropriate steps to resolve the situation. Even where a parent/guardian or student does not wish to disclose the student's identity, there are steps a school can take to limit the effects of alleged harassment and prevent its recurrence without initiating formal action. Such steps may include limited investigative activities and actions to protect the complainant and the school community and prevent recurrence while keeping the identity of the complainant confidential. These actions may include providing services to the complainant, such as counseling services; providing increased monitoring, supervision, or security at locations or activities where the misconduct occurred; providing training and education materials for students and employees; or changing and publicizing the school's policies on sexual violence. OCR has indicated that the principles in its Revised Sexual Harassment Guidance also apply to harassment based on race, color, national origin, disability, or age.

Note: It is also important to note that a referral to law enforcement does not relieve a school district of its responsibility to investigate the complaint as a matter of sex discrimination.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment

shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment; including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Complaint Process and Disciplinary Actions

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

Upon investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall have his/her employment terminated in accordance with law and the applicable collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.
