REQUEST FOR PROPOSAL FOR THE PURCHASE AND DELIVERY OF THE SCHOOL FOOD SERVICES PRODUCE

Conejo Valley Unified School District is composed of three (3) comprehensive high schools, one (1) hybrid high school, one (1) continuation school, five (5) middle schools, seventeen (17) elementary schools, two (2) special education schools, and one (1) adult school. The enrollment in the District is approximately 18,800. The District spans 120 square miles and includes Thousand Oaks, Westlake Village, and Newbury Park.

The Conejo Valley Unified School District Child Nutrition Department is requesting proposals from interested business agents to provide distribution and delivery for Produce. It is the intent of the District to develop a secure service relationship between the agent and the District in a competitive atmosphere. The District is, therefore, willing to consider any, and all, options that will make service more effective and price more economical while providing reasonable income and security of contract to the agent. Service, price and quality are of equal concern. It is the intent of the District to have a single source supplier for the year, but the District reserves the right to award separately for Produce if it is in the best interest of the District.

Service will be based upon the ability to meet the District's requirements for both storage and the ability to distribute purchased products to numerous sites and schedules.

The consideration for price will be based upon a combination of fees for service and overall price of purchased products.

Any response to the District will be considered a price quote, which outlines the terms and conditions for all financial aspects of doing business as the District's agent in these areas. The proposal will be the basis for an agreement, under which the successful proposer will sign an agent agreement with the District to provide service outlined therein. All proposals will be specific as to time lines and charges for goods and services.

The District reserves the right to reject any, and all, proposals and to waive informalities and minor irregularities in any proposal reviewed. The District may reject any proposal that does not conform to the instructions herewith. Additionally, the District reserves the right to negotiate all final terms and conditions of any preliminary agreement entered into with the awarded firm. The District makes no representations that any contract will be awarded to any respondent.

THIS AGREEMENT, made and entered into this _____ day of _____, 2019, by and between the Conejo Valley Unified School District, hereinafter called the District, and _____ hereinafter called the Contractor, for **Bid No. 19-06-25, Produce Products**

WITNESSETH: That the parties hereto have mutually covenanted and agreed, and by these presents do covenant and agree with each other, as follows:

1. **TERM:** The term of this Agreement shall be August 1, 2019 through June 30, 2020.
2. **THE CONTRACT DOCUMENTS:** The complete contract consists of the following documents: The Notice to Bidders, the information to Bidders, the Accepted Bid, the General Specifications, and the Agreement, including all modifications thereof duly incorporated therein. Any and all obligations of the District and the Contractor are fully set forth and described therein or are reasonably inferable that any work called for in one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in said documents. The documents comprising the complete Contract are sometimes hereinafter referred to as the Contract Documents, or the Contract.
3. **SERVICES, MATERIALS AND SUPPLIES:** The contractor agrees to furnish the service or services, the item or items of the stated bid listed herein, and all transportation, service, labor, and material necessary to furnish and deliver same in good condition, in the manner designated in, and in strict conformity with the specifications and other contract documents, at the price or prices hereinafter set forth. It is understood by the Contractor that all items or service will be promptly delivered to the District.
4. **PAYMENTS:** the contractor shall submit an itemized invoice, in duplicate, of materials and services at the delivery point and at the time the delivery is made. District shall pay contractor the full amount of each invoice within thirty (30) days of receipt. Contractor shall furnish District with a recap of items upon request.
5. **TERMINATION FOR DEFAULT:** If the said Contractor fails or neglects to supply or deliver any of said goods, articles, or service at the prices named and at the times and places stated above, the District may, without further notice or demand, cancel and rescind this contract or may purchase said goods, supplies, or services elsewhere, and hold said Contractor responsible and liable for all damages which may be sustained thereby, or on account of the failure or neglect of said Contractor in performing any of the terms and conditions of this contract; it being specifically provided and agreed that time shall be the essence of this agreement.

The foregoing provisions are in addition to and not in limitation of any other rights or remedies available to the District.

6. **TERMINATION OF AGREEMENT WITHOUT CAUSE:** District may terminate this Agreement at any time by giving the Contractor thirty (30) days written notice of such termination. Termination shall have no effect upon the rights and obligations of the parties arising out of any transaction occurring prior to the effective date of such termination. Other than payments for goods or services satisfactorily rendered prior to the effective date of said termination, Contractor shall be entitled to no further compensation or payment of any type from the District.

7. **DISTRICT'S RIGHT TO WITHHOLD CERTAIN AMOUNTS AND MAKE APPLICATION THEREOF:** The District may withhold a sufficient amount, or amounts, of any payment otherwise due to the Contractor, as in its judgement may be necessary to cover defective items not remedied, and the District may apply such withheld amount, or amounts, to the payment of such claims, in its discretion.
8. **EXTRA AND/OR ADDITIONAL SPECIFICATIONS AND CHANGES:** Should the District at any time during the performance of the contract, request any alterations, deviations, additions, or omissions from the Specifications or other Contract Documents, it shall be at liberty to do so, and the same shall in no way affect or make void the Contract, but the cost will be added to, or deducted from, the amount of said Contract price, as the case may be, by a fair and reasonable valuation.

The estimated cost of a proposed change shall be established in one or more of the following methods:

- a. By an acceptable lump sum proposal from the Contractor.
- b. By unit prices agreed upon by the District and the Contractor.

No change shall be made in any specification of any item under the Contract unless a written statement setting forth the object of the change, its character, amount, and the expense thereof is first submitted to the District and written consent thereto obtained.

9. **TIME OF COMPLETION:** The Contractor shall begin performance of the Contract promptly upon due execution and delivery to the District of the Contract and bond (if required). The Contractor is obligated to satisfactorily perform the Contract within the period specified in the Contract documents.
10. **SAVE HARMLESS CLAUS:** The Contractor must save, keep, bear harmless and fully indemnify said District and any of its officers or agents from all damages, or claims for damages, costs or expenses in law or equity that may at any time arise or be set up for any infringement of the patent rights, copyright, or trademark of any person or persons in consequence of the use by said District or by any of its officers or agents, or articles to be supplied under this contract.
11. **THE DISTRICT'S INSPECTOR:** All items shall be subject to the inspection of the District. Inspection of the items shall not relieve the Contractor from any obligation to fulfill this Contract. Defective items shall be made good by the Contractor, and unsuitable items may be rejected, notwithstanding that such defective work and materials have been previously overlooked by the District and accepted. If any item shall be found defective at any time before final acceptance of the complete delivery, the Contractor shall forthwith remedy such defect in a manner satisfactory to the District.
12. **REMOVAL OF REJECTED ITEMS:** All items rejected by the District at any time prior to final inspection and acceptance shall at once be removed from the place of delivery by the Contractor who shall assume and pay the cost thereof without expense to the District, and shall be replaced by satisfactory items.
13. **ASSIGNMENT OF CONTRACT:** The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of this Contract or any part thereof, or any right, title or interest therein, funds to be received hereunder, or any power to execute the same without the consent in writing of the District.

14. CONTRACTOR IS NOT AN OFFICER, EMPLOYEE, OR AGENT OF THE DISTRICT: While engaged in carrying out and complying with the terms and conditions of this Contract, the Contractor is an independent contractor, and is not an officer, employee or agent of the District.

15. INSURANCE PERMITS AND LICENSES REQUIRED OF THE CONTRACTOR: The Contractor shall maintain insurance adequate to protect him/her from claims under worker's compensatory acts, and from claims for damages for personal injury including death, and damage to property which may arise from operations under the Contract in amounts specified in the Specifications. The Contractor may be required by the District to file with the District certificates of such insurance. The failure to furnish such evidence, if required, may be considered default by the Contractor.

The Contractor and all of its employees or agents shall secure and maintain in force such licenses and permits as are required by law, in connection with the furnishing of materials, articles, or services covered under this Contract. All operations and materials shall be in accordance with the law.

16. CONDITIONAL BID: The District reserves the right to reject any bid, which imposes conditions, or terms, on purchases, which were not specified in the original bid document.

In Witness Whereof, the parties have caused this Agreement to be executed on their behalf by their fully authorized representative.

**CONTRACTOR'S CERTIFICATE
REGARDING DRUG-FREE WORKPLACE**

This Drug-Free Workplace Certification form is required from all successful bidders pursuant to the requirements mandated by Government Code sections 8350 et. seq., the Drug-Free Workplace Act of 1990. The Drug-Free Workplace Act of 1990 requires that every person or organization awarded a contract or grant for the procurement of any property or service from any State agency must certify that it will provide a drug-free workplace by performing certain specified acts. In addition, the Act provides that each contract or grant awarded by a State agency may be subject to suspension of payments or termination of the contract or grant, and the Contractor or Grantee may be subject to debarment from future contracting, if the contracting agency determines that specified acts have occurred.

Pursuant to Government Code section 8355, every person or organization awarded a contract or grant from a State agency shall certify that it will provide a drug-free workplace by doing all of the following:

- a. Publishing a statement, notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the person's or organizations' workplace, and specifying actions which will be taken against employees for violations of the prohibition;
- b. Establishing a drug-free awareness program to inform employees about all of the following:
 1. The dangers of drug abuse in the workplace;
 2. The person's or organizations' policy of maintaining a drug-free workplace;
 3. The availability of drug counseling, rehabilitation and employee-assistance programs; and
 4. The penalties that may be imposed upon employees for drug abuse violations;
- c. Requiring that each employee engaged in the performance of the contract or grant be given a copy of the statement required by subdivision (a) and that as a condition of employment on the contract or grant, the employee agrees to abide by the terms of the statement.

I, the undersigned, agree to fulfill the terms and requirements of Government Code section 8355 listed above and will (a) publish a statement notifying employees concerning the prohibition of controlled substance at the workplace, (b) establish a drug-free awareness program, and (c) require each employee engaged in the performance of the contract be given a copy of the statement required by section 8355 (a) and require each employee agree to abide by the terms of that statement.

I also understand that if the District determines that I have either (a) made a false certification herein, or (b) violated this certification by failing to carry out the requirements of section 8355, that the contract awarded herein is subject to termination, suspension of payments, or both. I further understand that, should I violate the terms of the Drug-Free Workplace Act of 1990, I may be subject to debarment in accordance with the requirements of sections 8350 et. seq.

I acknowledge that I am aware of the provisions of Government Code sections 8350 et. seq. and hereby certify that I will adhere to the requirements of the Drug-Free Workplace Act of 1990.

BUY AMERICAN CERTIFICATION

By the requirements of the Richard B. Russell National School Lunch Act’s (NSLA) Buy American provision that school food authorities (SFAs) must follow these guidelines when purchasing food and food products for use in the Child Nutrition Programs. Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336) added a new provision, Section 12(n) of the NSLA (42 USC 1760(n), requiring SFAs to purchase domestically grown and processed foods to the maximum extent practicable.

Section 12(n) of the SNLA defines “domestic commodity or product” as one that is produced and processed in the United States substantially (greater than 51%) using agricultural commodities that are produced in the United States.

There are two situations that may warrant a waiver to permit purchases of foreign food products including: 1) the product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; and 2) competitive bids reveal the costs of a U.S. product to be significantly higher than the foreign product.

If Vendor offers a non-American product, Vendor must list the product below. Product is subject to review by District. If District declines a waiver, product will be awarded to lowest priced item meeting award criteria. District’s decision on approval of a foreign substitution will be final.
