The custodian of records shall develop reasonable methods, including physical, technological, and administrative controls, to ensure that school officials and employees obtain access to only those student records in which they have legitimate educational interests. (34 CFR 99.31)

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to the custodian of records. Prior to granting the request, the custodian of records shall authenticate the individual's identity. For any individual granted access based on a legitimate educational interest, the request shall specify the interest involved.

When prior written consent is required by law, the parent/guardian shall provide a written, signed, and dated consent before the district discloses the student record. Such consent may be given through electronic means in those cases where it can be authenticated. Upon request by the parent/guardian, the district shall provide him/her a copy of the records disclosed. (34 CFR 99.30)

When a student transfers from this district to another school district or to a private school, the Superintendent or designee shall forward a copy of the student's mandatory permanent record within 10 school days of the district's receipt of the request for the student's records. The original record or a copy shall be retained permanently by this district. If the transfer is to another California public school, the student's entire mandatory interim record shall also be forwarded. If the transfer is out of state or to a private school, the mandatory interim record may be forwarded. Permitted student records may be forwarded to any other district or private school. (Education Code 48918; 5 CCR 438)
