Measures to Prevent Discrimination

To prevent unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying, of students at district schools or in school activities and to ensure equal access of all students to the educational program, the Superintendent or designee shall implement the following measures:

1. Publicize the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, employees, volunteers, and the general public and post them on the district's web site and other locations that are easily accessible to students. (Education Code 234.1)
2. Provide to students a handbook that contains age-appropriate information that clearly describes the district's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that they have been the victim of any such behavior. (Education Code 234.1)

3. Annually notify all students and parents/guardians of the district's nondiscrimination policy. The notice shall inform students and parents/guardians of the possibility that students will participate in a sex-segregated school program or activity together with another student of the opposite biological sex, and that they may inform the compliance officer if they feel such participation would be against the student's religious beliefs and/or practices or a violation of his/her right to privacy. In such a case, the compliance officer or designee shall meet with the student and/or parent/guardian who raises the objection to determine how best to accommodate that student. The notice shall inform students and parents/guardians that the district will not typically notify them of individual instances of transgender students participating in a program or activity.

4. The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

5. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include guidelines the district may use to provide a discrimination-free environment for all district students, including transgender and gender-nonconforming students.

6. At the beginning of each school year, inform school employees that any employee who witnesses any act of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, against a student is required to intervene if it is safe to do so. (Education Code 234.1)

7. At the beginning of each school year, inform each principal or designee of the district's responsibility to provide appropriate assistance or resources to protect students' privacy rights and ensure their safety from threatened or potentially discriminatory behavior.

Enforcement of District Policy

The Superintendent or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti
2. Providing training to students, staff, and parents/guardians about how to recognize unlawful discrimination, how to report it or file a complaint, and how to respond
3. Disseminating and/or summarizing the district's policy and regulation regarding unlawful discrimination
4. Consistent with the laws regarding the confidentiality of student and personnel records, communicating the school's response to students, parents/guardians, and the community
5. Taking appropriate disciplinary action against perpetrators and anyone determined to have engaged in wrongdoing in violation of district policy, including any student who is found to have made a complaint of discrimination that he/she knew was not true

Process for Initiating and Responding to Complaints

Any student who feels that he/she has been subjected to unlawful discrimination described above or in district policy is strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, any student who observes any such incident is strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a verbal report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is submitted to or received by the principal or compliance officer, he/she shall make a note of the report and encourage the student or parent/guardian to file the complaint in writing, pursuant to the provisions in AR 1312.3 - Uniform Complaint Procedures. Once notified verbally or in writing, the principal or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and to ensure all students have access to the educational program and a safe school environment.

Any report of unlawful discrimination involving the principal, compliance officer, or any other person to whom the complaint would ordinarily be reported or filed shall instead be submitted to the Superintendent or designee. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Upon receiving a complaint of discrimination, the compliance officer shall immediately investigate the complaint in accordance with the district's uniform complaint procedures specified in AR 1312.3.

Transgender and Gender-Nonconforming Students

***Note: Pursuant to Education Code 221.5, as amended by AB 1266 (Ch. 85, Statutes of 2013), a district is required to permit a student to use facilities and participate in sex-segregated school programs and activities consistent with the student's gender identity, regardless of the gender listed on his/her educational records. The following guidelines are designed to implement AB 1266 and other existing state and federal laws that prohibit discrimination, including discriminatory harassment, intimidation, retaliation, and bullying, against students based on their real or perceived gender identity and/or gender expression. The guidelines address certain issues and circumstances that may arise in relation to the needs of transgender and gender-nonconforming students, and are by no means exhaustive. Consequently, each instance or situation should be addressed on a case-by-case basis to ensure that the safety, privacy, and other concerns of all students involved are appropriately addressed. Districts should consult legal counsel about applicable standards for determining a student's gender identity. ***

Gender identity means a student's gender-related identity, appearance, or behavior as determined from the student's internal sense of his/her gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity or gender expression is different from that traditionally associated with the assigned sex at birth.

Acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, regardless of whether they are sexual in nature, where the act has the purpose or effect of having a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment are prohibited under state and federal law. Examples of types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with his/her gender identity

2. Disciplining or disparaging a transgender student or excluding him/her from participating in activities because his/her mannerisms, hairstyle, or style of dress correspond to his/her gender identity, or a non-transgender student because his/her mannerisms, hairstyle, or style of dress do not conform to stereotypes for his/her gender or are perceived as indicative of the other sex
3. Taunting a student because he/she participates in an athletic activity more typically favored by a student of the other sex
4. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
5. Use of gender-specific slurs
6. Physical assault of a student motivated by hostility toward him/her because of his/her gender, gender identity, or gender expression
7. Blocking a student's entry to the bathroom that corresponds to his/her gender identity

The district's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. **Right to privacy:** A student's transgender or gender-nonconforming status is his/her private information and the district will only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student discloses his/her transgender or gender-nonconforming status shall seek the student's permission to notify the compliance officer or designee. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this procedure, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to his/her status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer or designee, the employee shall do so within three school days.

As appropriate given the physical, emotional, and other significant risks to the student, the compliance officer may consider discussing with the student any need to disclose the student's transgender or gender-nonconformity status to his/her parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The Board of Education of Conejo Valley Unified School District believes the interests of students are best served when District staff, parents and students work together to address challenges and concerns. Therefore, District staff is directed to make every reasonable effort to encourage students, when appropriate, to allow for their parents to be involved in the discussion of these issues. The district shall also offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

2. **Determining a Student's Gender Identity:** The compliance officer or designee shall accept the student's assertion unless district personnel present a credible basis for believing that the student's assertion is for an improper purpose. In such a case, the compliance officer or designee shall document the improper purpose and, within seven school days of receiving notification of the student's assertion, shall provide a written response to the student and, if appropriate, to his/her parents/guardians.

3. **Addressing a Student's Transition Needs:** The compliance officer or designee shall arrange a meeting with the student and, whenever possible, his/her parents/guardians to identify potential issues, including transition-related issues, and to develop strategies for addressing them. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to his/her status as a transgender or gender-nonconforming individual, so that prompt action could be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the student's arrangements are meeting his/her educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** The district may maintain sex-segregated facilities, such as restrooms and locker rooms, and sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs. A student shall be entitled to access facilities and participate in programs and activities consistent with his/her gender identity. The Board of Education of Conejo Valley Unified School District is sensitive to the privacy concerns of students who are uncomfortable with the possibility of sharing bathrooms or showers with other students. To address these concerns, the district shall offer options to address privacy concerns in sex-segregated facilities, such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, access to a staff member's office, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because he/she is transgender or gender-nonconforming.

In addition, a student shall be permitted to participate in accordance with his/her gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with his/her gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

5. Student Records: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed pursuant to a court order. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents. Such preferred name may be added to the student's record and official documents as permitted by law.

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with his/her gender identity, without the necessity of a court order or a change to his/her official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns shall not constitute a violation of this administrative regulation or the accompanying district policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with his/her gender identity, subject to any dress code adopted on a school site.
