Uniform Complaint Procedures

Note: To address prohibited discrimination and violations of state and federal laws governing educational programs, 5 CCR 4621 mandates districts to adopt uniform complaint procedures (UCP) consistent with the state's complaint procedures specified in 5 CCR 4600-4670. Pursuant to 5 CCR 4610, districts are required to adopt a uniform system of procedures that meets specified requirements for investigating and resolving complaints alleging (1) noncompliance with state and federal laws and regulations governing educational programs; (2) noncompliance with state law prohibiting the charging of student fees; or (3) unlawful discrimination (such as discriminatory harassment, intimidation, and bullying). Although some bullying incidents may not fall within the provisions of 5 CCR 4610, BP 5131.2 - Bullying strongly recommends that districts use the UCP to investigate all bullying incidents, regardless of whether there is an allegation of discriminatory bullying, to ensure consistent implementation by district staff. It is not always easy or possible for staff to know prior to an investigation whether a student was bullied because of his/her actual or perceived membership in a legally protected class. After investigation, bullying incidents found to involve unlawful discrimination would then be resolved using the UCP. Districts that are concerned about the capacity of a single district compliance officer to handle a possible increase in the number of UCP complaints, or that prefer to handle certain incidents at the school site level whenever possible, may designate multiple compliance officers in accordance with the accompanying administrative regulation.

Note: Education Code 52075 mandates districts to adopt policies and procedures implementing the use of the UCP to investigate and resolve complaints alleging noncompliance with requirements related to the local control and accountability plan. For plan requirements, see BP/AR 0460 - Local Control and Accountability Plan. In addition, legislation enacted in 2015 authorizes the use of the UCP to resolve complaints of noncompliance with laws related to accommodations for lactating students, educational rights of foster youth and homeless students, assignment of students to courses without educational content, and physical education instructional minutes, as specified in items #3 and #6-9 below. Finally, a district should adopt policies and procedures implementing the use of the UCP to investigate and resolve complaints alleging retaliation in response to a complaint.

Note: The California Department of Education (CDE) monitors district programs and operations for compliance with these requirements through its Federal Program Monitoring (FPM) process. The FPM consists of a review of (1) written district policies and procedures for required statements, including prohibition of discrimination (such as discriminatory harassment, intimidation, and bullying) against students pursuant to Education Code 234.1, and (2) records of required activities, such as annual notification provided to students, parents/guardians, employees, and other school community members.

Note: The U.S. Department of Education's Office for Civil Rights (OCR) enforces Title II of the Americans with Disabilities Act (20 USC 12101-12213), Title VI of the Civil Rights Act of 1964 (42 USC 2000d-2000e-17), Title IX of the Education Amendments Act of 1972 (20 USC 1681-1688), Section 504 of the Rehabilitation Act of 1973 (29 USC 794), and the Age Discrimination Act of 1975 (42 USC 6101-6107). OCR has issued guidance describing federal requirements for discrimination complaint procedures. OCR requires such procedures to be "prompt and equitable." The factors OCR examines to evaluate each district's procedures are specified in the accompanying administrative regulation, including whether and how the procedures (1) provide notice of the procedures to the district's students, parents/guardians, and employees; (2) ensure adequate, reliable, and impartial investigation of complaints; (3) contain reasonably prompt timeframes for major stages of the complaint process; (4) provide notice to the complainant of the resolution of the complaint; and (5) provide an assurance that action will be taken to prevent recurrence of any discrimination found and to correct its effects.

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages early resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve the following complaints:

1. Any complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, after school education and safety programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, special education programs, consolidated categorical aid programs, and any other district-implemented program which is listed in Education Code 64000(a) (5 CCR 4610)
2. Any complaint alleging the occurrence of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) against any student, employee, or other person participating in district programs and activities, including, but not limited to, those programs or activities funded directly by or that receive or benefit from any state financial assistance, based on the person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital, pregnancy, or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on his/her association with a person or group with one or more of these actual or perceived characteristics (5 CCR 4610)
3. Any complaint alleging district noncompliance with the requirement to provide reasonable accommodation to a lactating student on school campus to express breast milk, breastfeed an infant child, or address other breastfeeding-related needs of the student (Education Code 222)

4. Any complaint alleging district noncompliance with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities (5 CCR 4610)
5. Any complaint alleging district noncompliance with legal requirements related to the implementation of the local control and accountability plan (Education Code 52075)
6. Any complaint, by or on behalf of any student who is a foster youth, alleging district noncompliance with any legal requirement applicable to the student regarding placement decisions, the responsibilities of the district's educational liaison to the student, the award of credit for coursework satisfactorily completed in another school or district, school transfer, or the grant of an exemption from Board-imposed graduation requirements (Education Code 48853, 48853.5, 49069.5, 51225.1, 51225.2)
7. Any complaint, by or on behalf of a homeless student as defined in 42 USC 11434a, alleging district noncompliance with any requirement applicable to the student regarding the award of credit for coursework satisfactorily completed in another school or district or the grant of an exemption from Board-imposed graduation requirements (Education Code 51225.1, 51225.2)
8. Any complaint alleging district noncompliance with the requirements of Education Code 51228.1 and 51228.2 that prohibit the assignment of a student to a course without educational content for more than one week in any semester or to a course the student has previously satisfactorily completed, without meeting specified conditions (Education Code 51228.3)
9. Any complaint alleging district noncompliance with the physical education instructional minutes requirement for students in elementary school (Education Code 51210, 51223)
10. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy.
11. Any complaint, by or on behalf of a former juvenile court school student who transfers into the district after his/her second year of high school, alleging district noncompliance with any requirement applicable to the student regarding the award of credit for coursework satisfactorily completed in the juvenile court school or the grant of an exemption from Board-imposed graduation requirements (Education Code 51225.1, 51225.2)
12. Any other complaint as specified in a district policy

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for

any complaint, alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints in accordance with applicable law and district policy.

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency.
2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.
3. Any complaint alleging employment discrimination shall be sent to the California Department of Fair Employment and Housing and the compliance officer shall notify the complainant by first class mail of the transfer.
4. Any complaint alleging fraud shall be referred to the California Department of Education.

In addition, the district's Williams Uniform Complaint Procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, or teacher vacancies and misassignments.
