Personnel

Evaluation/Supervision

The Governing Board recognizes the importance of regular and comprehensive evaluations of administrative and supervisory personnel to provide ongoing feedback for continuous improvement of employee performance. Evaluations shall be linked to the district's vision, strategic plan, school improvement goals, professional development plan, and goals for student achievement.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

(cf. 0500 - Accountability)

(cf. 2140 - Evaluation of the Superintendent)

(cf. 4300 - Administrative and Supervisory Personnel)

Certificated Administrative and Supervisory Personnel

The Superintendent shall develop objective evaluation guidelines and standards for use in the district's evaluation system for certificated administrative and supervisory personnel. Such standards may include those of the California Professional Standards for Education Leaders as well as other standards and criteria developed by the Board and Superintendent.

Note: Education Code 44664 requires that permanent certificated employees be evaluated either at least every other year or, if the employee has been employed by the district for at least 10 years and certain other conditions are satisfied, at least every five years, as specified below. If the administrator or supervisor is in a position that must be filled by a highly qualified teacher pursuant to 20 USC 6319 of the federal No Child Left Behind Act, then Education Code 44664 requires the employee to meet the definition of "highly qualified" in order to be evaluated on the longer five-year schedule. See BP/AR 4112.24 - Teacher Qualifications Under the No Child Left Behind Act. The Board may require more frequent evaluations, as necessary.

Each certificated administrative and supervisory employee shall be evaluated every other year. However, an employee may be evaluated every five years provided that he/she has been employed by the district for at least 10 years, his/her previous evaluation rated him/her as meeting or exceeding standards, and the evaluator and the employee agree to this schedule. Either the evaluator or the employee may withdraw consent for this schedule at any time. (Education Code 44664)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

(cf. 4116 - Probationary/Permanent Status)

Any certificated administrative and supervisory employee who is new to a position may be evaluated each year for the first two years in the position. Evaluation is a continuous process and may occur between scheduled periods at the request of the employee, his/her supervisor, or the Superintendent or designee.

Evaluations shall be conducted within the timelines specified in law, Board policy, and administrative regulation. The evaluation process for certificated administrative and supervisory personnel shall be the same as for other certificated instructional personnel, as detailed in AR 4115 - Evaluation/Supervision.

(cf. 4115 - Evaluation/Supervision)
(cf. 4312.1 - Contracts)

Classified Senior Management and Supervisory Employees

Classified senior management and supervisory employees shall be evaluated in accordance with the procedures developed by the Superintendent or designee and approved by the Board.

(cf. 4215 - Evaluation/Supervision)

Evaluations shall be used to recognize the exemplary skills and accomplishments of classified senior management and supervisory employees and to identify areas needing improvement. When the evaluation indicates areas needing improvement, the Board expects such staff to take the initiative to improve their performance and for their supervisors to assist them in obtaining needed job skills.

(cf. 4331 - Staff Development)

The evaluation shall be dated and signed by the classified senior manager or supervisory employee and his/her supervisor. The manager or supervisory employee may respond in writing to the evaluation within a reasonable time after receiving a copy of the evaluation. The response shall be attached to the evaluation and placed in his/her personnel file.
