Immunizations

Students

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Governing Board shall cooperate with state and local public health agencies to encourage and facilitate immunization of all district students against preventable diseases.

Each student enrolling for the first time in a district elementary or secondary school, preschool, or child care and development program or, after July 1, 2016, enrolling in or advancing to grade 7 shall present an immunization record from any authorized private or public health care provider certifying that he/she has received all required immunizations in accordance with law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law.

***Note: 17 CCR 6070 allows a transfer student to be conditionally admitted for up to 30 days while waiting for the transfer of immunization records from his/her previous school; see the accompanying administrative regulation. However, the California Department of Public Health's California Immunization Handbook for Child Care Programs and Schools recommends that schools request parents/guardians to bring their child's personal immunization record from his/her health care provider to registration, rather than waiting for the cumulative file, especially if the student's former school is located outside the United States. In this way, districts would only need to request the record from the previous district for those students who could not present an adequate record at the time of entry. ***

***Note: Pursuant to 42 USC 11431 and Education Code 48853.5, homeless children and foster youth must be immediately enrolled even if they are unable to produce records normally required for enrollment, including medical records. See AR 6173 - Education for Homeless Children and AR 6173.1- Education for Foster Youth. In addition, pursuant to Education Code 49701, children of military families must be allowed 30 days from the date of enrollment to obtain required immunizations; see AR 6173.2 - Education of Children of Military Families. These exceptions are also addressed in the accompanying administrative regulation. ***

Each transfer student shall be requested to present his/her immunization record, if possible, upon registration at a district school.
