Parent Involvement

Note: 20 USC 6318 mandates each district receiving federal Title I, Part A, funds to have a written parent involvement policy developed jointly with and agreed upon by parents/guardians of participating students. Education Code 11504 mandates districts to adopt a policy on parent involvement applicable to each school that does not receive Title I funds. The following policy and accompanying administrative regulation contain language satisfying both mandates and should be revised to reflect district practice.

***Note: In addition, Education Code 51101 mandates policy for all districts addressing the manner in which parents/guardians, school staff, and students may share responsibility for continuing the intellectual, physical, emotional, and social development and well-being of students; see BP/AR 5020 - Parent Rights and Responsibilities for language fulfilling this mandate. ***

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent involvement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

(cf. 1220 - Citizen Advisory Committees)
(cf. 1230 - School-Connected Organizations)
(cf. 1240 - Volunteer Assistance)
(cf. 1250 - Visitors/Outsiders)

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent involvement efforts, including, but not limited to, input from parents/guardians and school staff on the adequacy of parent involvement opportunities and barriers that may inhibit parent/guardian participation.

(cf. 0500 - Accountability)

Title I Schools

Note: The following section is for use by districts that receive Title I funds. 20 USC 6318 mandates that such districts develop, jointly with parents/guardians of participating students, a parent involvement policy which establishes expectations for parent involvement and describes how the district will address specified components. See the accompanying administrative regulation for the required components and optional strategies for addressing each component.

Note: State law (Education Code 11503) reinforces federal law by requiring annual objectives for the parent involvement program and procedures to ensure that parents/guardians are consulted and participate in the planning, design, implementation, and evaluation of the Title I parent involvement program.

Each year the Superintendent or designee shall identify specific objectives of the district's parent involvement program for schools that receive Title I funding. He/she shall ensure that parents/guardians are consulted and participate in the planning, design, implementation, and evaluation of the parent involvement program. (Education Code 11503)

(cf. 6171 - Title I Programs)

The Superintendent or designee shall ensure that the district's parent involvement strategies are jointly developed with and agreed upon by parents/guardians of students participating in Title I programs. Those strategies shall establish expectations for parent involvement and describe how the district will carry out each activity listed in 20 USC 6318. (20 USC 6318)

***Note: Pursuant to 20 USC 6318, the Board must reserve at least one percent of the district's Title I funding to carry out parent involvement activities, including promotion of family literacy and parenting skills, provided that one percent of the allocation received by the district totals more than \$5,000. At least 95 percent of the reserved funds must be distributed to eligible schools. ***

The Superintendent or designee shall consult with parents/guardians of participating students in the planning and implementation of parent involvement programs, activities, and regulations. He/she also shall involve parents/guardians of participating students in decisions regarding how the district's Title I funds will be allotted for parent involvement activities. (20 USC 6318)

(cf. 3100 - Budget)

***Note: In addition to the district-level policy described above, 20 USC 6318 requires that each individual school receiving Title I funds have a written parent involvement policy with specified components; see the accompanying administrative regulation. ***

The Superintendent or designee shall ensure that each school receiving Title I funds develops a school-level parent involvement policy in accordance with 20 USC 6318.

Non-Title I Schools

Note: The following section is for use by districts that do not receive any Title I funds or that have one or more individual schools that do not receive Title I funds. Education Code 11504 mandates the Board to adopt a policy on parent involvement, applicable to each school that does not receive Title I funds, that is consistent with the purposes and goals in Education Code 11502. See the accompanying administrative regulation for information about these goals and sample strategies for addressing each goal.

The Superintendent or designee shall develop and implement strategies applicable to each school that does not receive federal Title I funds to encourage the involvement and support of parents/guardians in the education of their children, including, but not limited to, strategies describing how the district and schools will address the purposes and goals described in Education Code 11502.
