

CVUSD Board Policy

BP 6112

Instruction

School Day

The Governing Board shall fix the length of the school day subject to the provisions of law.
(Education Code 46100)

(cf. 6111 - School Calendar)

The Superintendent or designee shall schedule class periods giving consideration to course requirements and curricular demands, availability of school facilities, the age and attention span of students, and legal requirements.

Note: The National Education Commission on Time and Learning, in its 1994 report Prisoners of Time, called for greater flexibility in school schedules in order to enhance student learning. The following optional paragraph reflects the recommendations of this report.

The Board encourages flexibility in scheduling so as to provide longer time blocks or class periods when appropriate and desirable to support student learning, provide more intensive study of core academic subjects or extended exploration of complex topics, and reduce transition time between classes.

(cf. 4131 - Staff Development)
