Education For Foster Youth

Instruction

***Note: Education Code 42238.02 and 42238.03, as added by AB 97 (Ch. 47, Statutes of 2013) and amended by SB 97 (Ch. 357, Statutes of 2013), provide supplemental and concentration grants within the local control funding formula based on the number and concentration of unduplicated counts of students who are foster youth, English learners, and/or eligible for free or reduced-price meals; see BP/AR 3100 - Budget. In addition, AB 97 added Education Code 52060-52077 requiring districts to develop a local control and accountability plan (LCAP) which must be aligned to specific state priorities and any additional local priorities, and which must contain annual goals for all students and for each "numerically significant" student subgroup and the specific actions to be taken to achieve each goal; see BP/AR 0460 - Local Control and Accountability Plan. AB 97 also amended the definition of "numerically significant" student subgroups in Education Code 52052 to include foster youth. ***

The Governing Board recognizes that foster youth may be at greater risk for poor academic performance due to their family circumstances, disruption of their educational program, and emotional, social, and other health needs. To enable such students to achieve state and district academic standards, the Superintendent or designee shall provide them with full access to the district's educational program and implement strategies identified as necessary for the improvement of the academic achievement of foster youth in the district's local control and accountability plan (LCAP).
