Board Bylaws

Meetings And Notices

Meetings of the Governing Board are conducted for the purpose of accomplishing district business.

A Board meeting exists whenever a majority of Board members gather at the same time and place to hear, discuss, or deliberate upon any item within the subject matter jurisdiction of the Board or district. (Government Code 54952.2)

In accordance with state open meeting laws (Brown Act), the Board shall hold its meetings in public and shall conduct closed sessions during such meetings only as authorized by law. To encourage community involvement in the schools, Board meetings shall provide opportunities for questions and comments by members of the public and shall be conducted in accordance with law and Board procedures.

(cf. 9321 - Closed Session Purposes and Agendas)

(cf. 9321.1 - Closed Session Actions and Reports)

(cf. 9323 - Meeting Conduct)

Note: In 84 Ops.Cal.Atty.Gen. 30 (2001), the Attorney General opined that Government Code 54952.2 prohibits a majority of the Board from sending emails to each other to develop a collective concurrence as to action to be taken by the Board even if the emails are (1) sent to the secretary and chairperson, (2) posted on the district's web site, and (3) distributed at the next meeting. Although the Attorney General recognized that those three conditions would allow the deliberations to be conducted, to some extent, "in public," the emails were prohibited by the Brown Act because all debate would be completed before the meeting and members of the public who did not have Internet access would be excluded from the debate.

Except as otherwise authorized by law, direct communication, personal intermediaries, and technological devices shall not be used by a majority of Board members to develop a collective concurrence as to an action to be taken by the Board on any item of district business. (Government Code 54952.2)

***Note: Government Code 54953.2 requires that all Board meetings meet the protections of the Americans with Disabilities Act (42 USC 12132) and implementing regulations (28 CFR 35.160, 36.303). Such protections require the district to ensure that the meeting is accessible to persons with disabilities and, upon request, to provide disability-related accommodations, such as auxiliary aids and services. Auxiliary aids and services may include accommodations at the actual meeting, such as a sign-language interpreter, or accommodations to the supporting documentation, such as Braille translation of the agenda packet. Government Code 54954.2

requires that the agenda specify how, when, and to whom a request for accommodation should be made.***

In order to help ensure participation in the meeting by disabled individuals, the Superintendent or designee shall provide appropriate disability-related accommodations or modifications upon request in accordance with the Americans with Disabilities Act. (Government Code 54953.2, 54954.1)

Meeting notices and agendas shall specify that any individual who requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting should contact the Superintendent or designee. (Government Code 54954.2)

Note: SB 343 (Ch. 298, Statutes of 2007) amended Government Code 54957.5 to require that, effective July 1, 2008, the agenda specify the location where the public can inspect agenda materials that have been distributed to the Board less than 72 hours before a meeting. See BB 9322 - Agenda/Meeting Materials for additional language implementing this requirement.

Each agenda shall also list the address designated by the Superintendent or designee for public inspection of agenda documents that have been distributed to the Board less than 72 hours before the meeting. (Government Code 54957.5)

(cf. 9322 - Agenda/Meeting Materials)

Regular Meetings

The Board shall hold two regular meeting(s) each month. Regular meetings shall be held at 6:00 p.m. on the first and third Tuesdays at the Board of Education meeting room located at 1400 E. Janss Road, Thousand Oaks, CA 91362.

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public. (Government Code 54954.2)

Special Meetings

Special meetings of the Board may be called at any time by the presiding officer or a majority of the Board members. (Government Code 54956)

Written notice of special meetings shall be delivered personally or by any other means to all Board members and the local media who have requested such notice in writing. The notice shall be received at least 24 hours before the time of the meeting. The notice shall also be posted at least 24 hours before the meeting in a location freely accessible to the public. The notice shall specify the time and place of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting. (Education Code 35144; Government Code 54956)

Any Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it convenes. (Government Code 54956)

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that has been described in the meeting notice, before or during the item's consideration. (Government Code 54954.3)

Emergency Meetings

Note: Government Code 54956.5 authorizes a closed session during emergency meetings, as long as two-thirds of the members present at the meeting agree on the need for the closed session. See BB 9321 - Closed Session Purposes and Agendas and E 9323.2 - Actions by the Board.

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. The Board shall comply with all other requirements for special meetings during an emergency meeting. (Government Code 54956.5)

An emergency situation means either of the following: (Government Code 54956.5)

1. An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the Board

(cf. 4141.6/4241.6 - Concerted Action/Work Stoppage)

2. A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist activity, or threatened terrorist act that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency meeting may endanger the public health and/or safety as determined by a majority of the members of the Board

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

Except in the case of a dire emergency, the Board president or designee shall give notice of the emergency meeting by telephone at least one hour before the meeting to the local media that have requested notice of special meetings. All telephone numbers provided by the media in the most recent request for notification must be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time he/she notifies the other members of the Board about the meeting. (Government Code 54956.5)

The minutes of the meeting, a list of persons the Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted for at least 10 days in a public place as soon after the meeting as possible. (Government Code 54956.5)

Adjourned/Continued Meetings

A majority vote by the Board may adjourn/continue any regular or special meeting to a later time and place that shall be specified in the order of adjournment. Less than a quorum of the Board may adjourn such a meeting. If no Board members are present, the secretary or the clerk may declare the meeting adjourned to a later time and shall give notice in the same manner required for special meetings. (Government Code 54955)

Within 24 hours after the time of adjournment, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the place where the meeting was held. (Government Code 54955)

Study Sessions, Retreats, Public Forums, and Discussion Meetings

The Board may occasionally convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public.

The Board may also convene a retreat or discussion meeting to discuss Board roles and relationships.

(cf. 2000 - Concepts and Roles)
(cf. 2111 - Superintendent Governance Standards)
(cf. 9000 - Role of the Board)
(cf. 9005 - Governance Standards)
(cf. 9400 - Board Self-Evaluation)

Public notice shall be given in accordance with law when a quorum of the Board is attending a study session, retreat, public forum, or discussion meeting. All such meetings shall comply with the Brown Act and shall be held in open session and within district boundaries. Action items shall not be included on the agenda for these meetings.

Other Gatherings

Attendance by a majority of Board members at any of the following events is not subject to the Brown Act provided that a majority of the Board members do not discuss specific district business among themselves other than as part of the scheduled program: (Government Code 54952.2)

1. A conference or similar public gathering open to the public that involves a discussion of issues of general interest to the public or to school board members

2. An open, publicized meeting organized by a person or organization other than the district to address a topic of local community concern
3. An open and noticed meeting of another body of the district
4. An open and noticed meeting of a legislative body of another local agency
5. A purely social or ceremonial occasion
6. An open and noticed meeting of a standing committee of the Board, provided that the Board members who are not members of the standing committee attend only as observers

(cf. 9130 - Board Committees)

Individual contacts or conversations between a Board member and any other person are not subject to the Brown Act. (Government Code 54952.2)

Location of Meetings

Meetings shall not be held in a facility that prohibits the admittance of any person on the basis of ancestry or any characteristic listed in Government Code 11135, including, but not limited to, religion, sex, or sexual orientation. In addition, meetings shall not be held in a facility which is inaccessible to disabled persons or where members of the public must make a payment or purchase in order to be admitted. (Government Code 54961)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Meetings shall be held within district boundaries, except to do any of the following:
(Government Code 54954)

1. Comply with state or federal law or court order or attend a judicial or administrative proceeding to which the district is a party
2. Inspect real or personal property which cannot conveniently be brought into the district, provided that the topic of the meeting is limited to items directly related to the property
3. Participate in meetings or discussions of multiagency significance, provided these meetings are held within one of the other agencies' boundaries, with all participating agencies giving the notice required by law
4. Meet in the closest meeting facility if the district has no meeting facility within its boundaries or if its principal office is located outside the district
5. Meet with elected or appointed state or federal officials when a local meeting would be impractical, solely to discuss legislative or regulatory issues affecting the district over which the state or federal officials have jurisdiction

6. Meet in or near a facility owned by the district but located outside the district, provided the meeting agenda is limited to items directly related to that facility
7. Visit the office of the district's legal counsel for a closed session on pending litigation, when doing so would reduce legal fees or costs
8. Attend conferences on nonadversarial collective bargaining techniques
9. Interview residents of another district regarding the Board's potential employment of an applicant for Superintendent of the district
10. Interview a potential employee from another district

Meetings exempted from the boundary requirements, as specified in items #1-10 above, shall still be subject to the notice and open meeting requirements for regular and special meetings when a quorum of the Board attends the meeting.

If a fire, flood, earthquake, or other emergency renders the regular meeting place unsafe, meetings shall be held for the duration of the emergency at a place designated by the Board president or designee, who shall so inform all news media who have requested notice of special meetings by the most rapid available means of communication. (Government Code 54954)

Teleconferencing

A teleconference is a meeting of the Board in which Board members are in different locations, connected by electronic means through audio and/or video. (Government Code 54953)

The Board may use teleconferences for all purposes in connection with any meeting within the Board's subject matter jurisdiction. All votes taken during a teleconference meeting shall be by roll call. (Government Code 54953)

During the teleconference, at least a quorum of the members of the Board shall participate from locations within district boundaries. (Government Code 54953)

Agendas shall be posted at all teleconference locations and shall list all teleconference locations whenever they are posted elsewhere. Additional teleconference locations may be provided to the public. (Government Code 54953)

All teleconference locations shall be accessible to the public. All teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board, including the right of the public to address the Board directly at each teleconference location. (Government Code 54953)

All Board policies, administrative regulations, and bylaws shall apply equally to meetings that are teleconferenced. The Superintendent or designee shall facilitate public participation in the meeting at each teleconference location.
