Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Additional Targeted Support and Improvement

Sequoia Middle School's goals for the 2023-2024 school year are aligned with the CVUSD LCAP goals and ESSA, "...to provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps." The philosophy that drives our decisions regarding instruction is summarized in our mission and vision. These were recently adjusted and voted on as part of our School Site Council during the 2023 - 2024 school year.

Sequoia Middle School is committed to developing motivated, self-confident, lifelong learners through educational programs that foster student connections as well as honor diversity and inclusivity in a supportive learning environment. Our collaborative and dedicated staff design learning opportunities that promote the intellectual, social-emotional, and physical growth of all students. Partnering with our families and community, Sequoia Middle School ensures that students flourish and become responsible, compassionate and contributing members of society.

Sequoia Middle School's vision is to promote our core values of compassion, responsibility and empowerment and to inspire a love of learning.

Sequoia Middle School is committed to building upon our already solid record of student success to provide our culturally diverse student population the best possible educational experience. Sequoia Middle School is not only dedicated to the academic growth of our students but the development of the whole child. Sequoia Middle School is located in Newbury Park, CA and is honored to be part of a strong community which supports our population of approximately 860 students in the 6th, 7th and 8th grades. Sequoia receives students from five neighboring elementary schools and our students feed into a strong academic program at Newbury Park High School. Sequoia is proud to have a diverse population that is served by varied educational programs for ELs, SWDs, and GATE students.

Sequoia is home to the Discover Academy which has an integrated curriculum focus between English, history/social science and science. The Discover Academy fosters connections between cohorts of students, the community (through field trips, service and guest speakers), through integrated curriculum between English, history and science, and to real life experiences.

Sequoia has a campus wide program called CREW (As a Sequoia CREW we focus on compassion, responsibility, empowerment and our well-being) which focuses on social-emotional and academic growth. In addition, Sequoia offers support classes and programs for students who need additional support with work habits and academic subjects. These support classes are offered before and after school as well as during the school day.

Sequoia has a group of dedicated educational professionals who are committed to student achievement and excellence both in and out of the classroom. The entire staff supports the middle school philosophy that provides students various opportunities to explore their interests and reach their individual potential. These opportunities are provided not only in the academic classroom but through activities before, during and after school. Sequoia supports strong academic rigor for all students and the staff works diligently to provide academic programs for students who are advanced academically along with remediation and support programs for students who might be struggling academically or socially. The goals of the school are pursued with an atmosphere that

supports the students and fosters the self-discipline and independent judgment necessary from grade level to grade level with the ultimate goal of a smooth transition to high school.

Sequoia's school motto reflects the feelings about the school, the students, the staff, and the community. "Take care of yourself. Take care of each other. Take care of this place." This motto is reviewed with students as they make daily decisions that affect their lives both in and out of the classroom. In addition to our school motto, each year a theme is selected for the school. The theme for the 2023- 2024 school year is "Sequoia Middle School, ALL IN." Sequoia students and staff are excited about their many accomplishments and the opportunity they have daily to make Sequoia an outstanding middle school.

The purpose of the School Plan for Student Achievement (SPSA) is to create a cycle of continuous improvement of student performance, and to ensure that all students succeed in reaching academic standards. Site principals, staff, leadership team, and parents are actively involved in the process. All decisions are based on careful analysis and reflection and are a part of the on-going process of improving student learning.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Sequoia Middle School is working with its stakeholders (students, staff and parents) to ensure that our five overarching goals are met. These goals include: promoting positive student outcomes in academic areas for all students, promoting positive student outcomes in social-emotional growth for all students, promoting positive student outcomes for SWD, promoting positive student outcomes for ELs and finally, addressing learning loss. Sequoia Middle School's plan to effectively meet the ESSA requirements in alignment with CVUSD's LCAP includes: a focus on professional learning in Universally Designed Learning strategies, Grading for Mastery, specific grade level interventions, a school wide SEL program (CREW), communication and involvement of parents, and opportunities for students to feel connected and included at school through events, assemblies and activities.

EC Section 64001 requires the development of the SPSA to include the following:

? A comprehensive needs assessment (pursuant to ESSA)

? Analysis of verifiable state data, consistent with state priorities, including state-determined long term goals

? May include local data

? An identification of the process for evaluating and monitoring the implementation of the SPSA and progress

towards accomplishing the goals

All schools within the CVUSD complete a Comprehensive Needs Assessment as part of the SPSA development process. Part of this needs assessment includes the analysis of California State Dashboard data as well as local assessment data including benchmark assessments, attendance data, survey data, and grade mark reports. In the spring of 2021, based on state guidelines, CVUSD elected to use local data to monitor student progress and inform SPSA plans and site goals. School sites will include the 2021-22 and 2022-23- CAASPP data as an important reference, and they will also include local data from the 2022-23 school year.

The Comprehensive Needs Assessment and SPSA goals are developed in collaboration with school site stakeholder groups, including the School Site Council and English Learner Advisory Council, with the goal of improving student outcomes, including addressing the needs of all student groups. These goals are aligned to the CVUSD LCAP and are consistent with the 8 State Priorities. During

the course of the year, School Site Councils and other site stakeholder groups evaluate and monitor the implementation of the SPSA and progress towards accomplishing the goals.

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

The following data pieces were analyzed to determine our Sequoia Middle School's needs. Results from district LCAP Surveys were used and discussed with staff and parent groups.

CVUSD conducted an annual feedback survey for the 2022-2023 school year. The results reflect the following: Students in grades 4-12, certificated and classified staff, and parents/guardians.

83% of parents/guardians reported that their student(s) seem eager to attend school each day.

85% of parents/guardians reported that their student(s) school(s) were inclusive environments that value all people.

86% of parents/guardians reported that their student's school was physically safe.

92% of parents/guardians reported that they are informed regarding their student(s) academic progress.

84% of parents/guardians reported that they are comfortable sharing their thoughts and ideas at their student's school.

93% of parents/guardians reported that teachers and staff treat them respectfully.

98% of elementary students reported they feel their teachers care about them.

93% of elementary students reported that their school is inclusive.

90% of middle and high school students reported feeling their teachers care about them.

89% of middle and high school students reported that their counselors care about them.

79% of middle and high school students reported feeling their school is an inclusive environment that values all people.

73% of middle and high school students reported that they know an adult on campus that they can go to when they are feeling sad, upset, or worried.

91% of staff reported that working for CVUSD is a positive experience.

87% of staff reported that they are comfortable discussing workplace issues with their supervisors.

92% of school site staff reported that students feel at school.

83% of school site staff reported that students are engaged and motivated.

95% of school site staff reported that their school site embraces diversity; and 94% reported that their school site embraces inclusion.

185 Sequoia students participated in the 2022-2023 LCAP survey. The survey reflects the following:

92% of students agree/strongly agree that their teachers care about them

91% of students agree/strongly agree that their counselor cares about them

61% of students agree/strongly agree that they are comfortable going to their counselor when they have a problem

91% of students agree/strongly agree that their counselor is available to meet with them when they have a problem

76% of students agree/strongly agree that the homework they receive is appropriate

82% of students agree/strongly agree that they have enough time to handle their schoolwork along with their extracurricular activities

97% of students stated that they are either in CP/Honors level classes at Sequoia Middle School

66% of students reported that it takes them 1-2 hours a night to complete homework
10% of students reported that they have missed school because they did not complete homework
74% of students reported that they have not missed school because of feeling sad or overwhelmed
75% of students reported that that have not missed school because of feeling anxious or worried
84% of students agree/strongly agree that classroom rules and ways of doing things are fair.
96% of students agree/strongly agree that they know what they should be doing and learning
75% of students agree/strongly agree that they know adults to go to for help on campus when they are feeling upset/sad
77% of students agree/strongly agree that outside of school and family they have adult to go to
82% of students agree/strongly agree that they know what to do when they need help with friends
83% of students reported knowing where to go for help
99% of students agree/strongly agree that they believe their parents/guardians believe they can do well in school
62% of students agree/strongly agree that their teachers talk to them about the importance of staying mentally healthy
66% of students disagree/strongly disagree that they have experienced bullying
89% of students agree to like being at school

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

CVUSD certificated personnel are observed over the course of the year as well as selected on and off schedule teachers receive an evaluation in the spring. Administrators meet with certificated and classified personnel to discuss observations, provide constructive feedback and to highlight areas of success.

CVUSD schools engage in both informal and formal classroom observations to provide feedback as well as guide instructional practices and professional learning. Following observations, administrators hold conferences with teachers to share reflections on the observations. Based on hire date, administrators conduct teacher evaluations including a key standards and elements conference based on the California Standards for the Teaching Profession (CSTP) within the first 60 days of school starting to set three goals. Progress on these goals is monitored both informally and formally throughout the year and culminates in a formal evaluation and conference. CVUSD continues to provide coaching and guidance with UDL practices in the classroom. Administrators also monitor and model best practices for considering Diversity, Equity, and Inclusion (DEI) in instructional planning and delivery. Teachers participating in the CVUSD Teacher Induction Program also meet regularly with support providers for goal-setting, observation, and reflection on alignment with the CSTP.

Informally, Principals along with the Superintendent, Assistant Superintendent, and Instructional Services Directors regularly walk through classrooms to observe student learning and instruction.

The Principal, Assistant Principal, Dean of Student Support Services, along with Department Chairs do observations and meetings throughout the school year to support and work with all teachers. The Principal and Assistant Principal meet quarterly with new teachers to support their transition to full

classroom teaching. Teachers participate in Professional Learning Communities for collaboration to discuss International Baccalaureate Middle Years Program.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

CVUSD students in grades 6-8 took benchmark assessment in math during Semesters 1 & 2. Students in grade 6- 8 and 11 took the CAASPP summative assessments in both English and Math. Additionally, 11th and/or 12th grade students had the option to take the CAST exam in science. English Language Development assessments are also utilized to modify instruction and improve student achievement, including: English Language Proficiency Assessments for California (ELPAC) and curriculum-based unit and formative assessments. Results from these assessments are used to inform instruction and establish schoolwide goals. Assessment data is analyzed by the site principal, leadership team, School Site Council, and teachers to engage in the continuous cycle of improvement. Local assessment data is also routinely analyzed through department/grade level Professional Learning Community (PLC) time. PLC's discuss local assessment alignment, student performance, best practices, and analyze student work, utilizing specific protocols and developing collective plans of action.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

CVUSD is utilizing a new data management system, Mastery Connect, that allows staff to produce reports and analyze data for student strengths and weaknesses as well as item analysis for specific assessments. Students take assessments all online as part of the system. Performance data can be disaggregated and reported out by student groups, providing teachers with the opportunity to closely monitor the performance of targeted groups, including English Learners, Socio-economically Disadvantaged, Homeless, and Foster. The California Department of Education (CDE) provides a variety of data reports through their web site and DataQuest. This tool is used to produce data reports for our SPSA.

Teachers continue to use Canvas, our learning management system, to administer classroom assessments and monitor student progress. Canvas integrates with Mastery Connect to allow for administration, data analysis, and disaggregation of data. Canvas will continue to be the learning management system uniformly used moving forward.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

100% of CVUSD teachers are credentialed and properly assigned.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

CVUSD teachers are provided three (3) pupil-free work days dedicated to professional learning. These days are led and organized by district and school site leadership. CVUSD Local Control Accountability Plan (LCAP) Goal 2 is to “ensure highly qualified and effective staff are provided with targeted professional development, and have an understanding that all job responsibilities are structured to support positive student outcomes.” Current LCAP actions/services focus on professional learning related to Universal Design for Learning (UDL), Diversity Equity & Inclusion practices, Social Emotional Learning, Professional Learning Communities (PLCs and Impact Teams), 1:1 Technology implementation, Core Literature, inclusive practices such as co-teaching, and other curriculum based professional learning opportunities.

During the week of August 15 to 19, CVUSD teachers were provided with a range of optional, professional learning opportunities, including UDL, Social-emotional learning, Canvas, SeeSaw, trauma-informed classrooms, Math IXL, ESGI, Unique, DEI, social-emotional learning practices, and Special Education report writing. Additionally, secondary English teachers facilitated professional learning opportunities for colleagues, sharing curriculum and units built over the summer to provide continuity regarding diverse core literature titles.

CVUSD maintains 3 pupil-free professional learning days. Provided 2 days of all-district professional development on August 22nd and November 1st with the focus on Universal Design for Learning and the intersections with social-emotional learning and diversity, equity, and inclusion. Designated focus UDL Checkpoints for the year 7.2 (optimizing relevance, value, and authenticity) and 8.3 (fostering collaboration and community). Provided opportunities for teachers to engage in the practice of designing for equitable first instruction. Introduced strategies for optimizing student voice and choice. March 17th provided important training to all elementary students on positive behavior supports and understanding the key functions of behavior, while secondary teachers participated in in-depth discussions on the pillar of “accuracy” from Joe Feldman’s book “Grading For Equity”.

In addition, during the 2022-23 school year, a cohort of secondary English teachers participated in the UCLA Center X professional development series, (De)Normalizing Literature, to develop instructional strategies for the teaching of diverse core literature titles.

All elementary and secondary counselors participated in on-going professional development on social-emotional learning with a specific emphasis on the CASEL competencies: self-management, social-awareness, self-awareness, responsible decision-making, and relationship skills. In addition, all counselors and site administration are participating in the Hatching Results professional learning series to develop a comprehensive school counseling program (TK-12) that addresses students' academic, college and career, and social-emotional development.

In the 2022/2023 school year, Sequoia Middle School, English, math, science, social studies departments attended CAPS workshops to collaborate and address intervention needs on sites. In the 2023/2024 school year Sequoia Middle School will begin the work for IB Candidacy for the Middle Year Program.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

CVUSD's professional learning plan is rooted in addressing student performance for all students, including student groups, by best meeting the content standards. District-wide professional learning related to Universal Design For Learning (UDL) serves as the defined instructional framework across all grade-levels and content areas. While UDL implementation bolsters learning for all students, it specifically targets student groups, namely students with disabilities and English Learners, that have underperformed significantly compared to same age peers in the past. UDL supports all students' access to learning rigorous content standards. In addition, CVUSD is committed to providing teachers with relevant training related to Diversity, Equity & Inclusion, curriculum adoptions, content standards, technology, data management, and social-emotional learning. CVUSD provides a new teacher Induction Program based on the California Standards For The Teaching Profession for all teachers with California Preliminary Teaching Credentials. All teachers are provided with professional learning on the intersection of UDL, DEI and SEL and the importance of focusing on student engagement and student voice.

Administrators engage in professional development related to DEI, UDL, PLCs, Restorative Justice, and trauma informed care to lead sites in using inclusive and supportive practices with students and families.

Additionally, English Learner Advisor Teachers and GATE Facilitators at each school site receive monthly professional development on meeting the needs of English Learners and GATE students in the classroom. These sessions include access to activities, resources and strategies. These facilitators present their resources and strategies at their recurring school site faculty meetings. Teacher representatives serve on CVUSD committees including subject area MTSS, SEL, Core Literature, report cards, curriculum and assessment, and technology.

Elementary school site reps will be trained this year on arts integration in the classroom using standards for drama/theater. These strategies also include social emotional learning and using instructional strategies for all learning modalities.

Sequoia staff utilizes PLC, department meetings, and staff meetings to discuss and evaluate student performance data. In the 2023/2024 school year more time has been created for staff collaboration to address students learning needs. The Principal discusses D,F,I data with leadership team and CAPS team.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

CVUSD provides a system of instructional assistance and support for teachers. CVUSD leads its own accredited New Teacher Induction program by utilizing Teachers on Special Assignment (TOSA) to support teachers with preliminary teaching credentials. A host of other TOSAs in the district provide focused support in the following areas: Assistive Technology, Inclusion, Educational Technology, Professional Learning, Visual and Performing Arts, Transitional Kindergarten, UDL and Intervention, and GATE. The TOSAs provide on-going professional development and consultation to teachers, as well as conducting a number of district-level tasks that serve all student groups.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

CVUSD schools engage in Professional Learning Community (PLC) practices on a regular basis. Grade-level or departments meet regularly for common planning time. All principals and numerous teacher teams across CVUSD have been provided formal training on PLCs. This time is used for a number of purposes: developing common assessments, curriculum development, identifying essential standards, assessing student work, and developing collective action that responds to student performance data. Through PLCs, teachers collaborate to focus on implementing the school site and district focus areas of Universal Design for Learning, Diversity, Equity, and Inclusion, and social-emotional learning.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

CVUSD uses state-approved instructional materials in all subject areas. Each content area and grade level has a fully articulated course of study that designates the pacing and alignment of curriculum to the state standards. Teachers and administrators regularly ensure horizontal and vertical alignment of standards-based curriculum and instruction through quarterly content Articulation Meetings. SBAC interim assessments in ELA and Math are used in grades 6-8 & 11 to provide alignment to state standards and monitor student progress. In 2022-2023, CVUSD adopted new instructional materials for secondary Science and grades 9-12 History/Social Science; these materials had not been updated respectively since the 2007 and 2006 school year.

Core literature titles with diverse authors and/or with diverse protagonists have been added to the secondary ELA curriculum as required materials to be implemented at each grade level. In a collaborative effort, English teachers from secondary sites created units of study and added lessons and resources to an electronic library of resources for all ELA teachers to access.

Finally, high schools successfully piloted an optional elective Ethnic Studies course that is aligned with CDE Ethnic Studies Model Curriculum. As per AB 101, this pilot has been developed as a one-semester course in ethnic studies, meeting specified requirements. It will continue to be implemented as an elective course, until it becomes a graduation requirement commencing with pupils graduating in the 2029-30 school year. This course has been approved as a permanent course for the 2023-2024 school year.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

CVUSD teachers adhere to Board-approved instructional minutes for all subject areas.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

CVUSD Secondary departments use curriculum pacing and formative assessments to monitor student progress and calibrate learning practices. Secondary schools are provided an additional section allocation for reading and math intervention and class size reduction. Oasis and other guided studies courses are added to the master schedule to provide students with academic support and to address learning gaps. Additionally, the Newcomer Academy has been instituted at Newbury Park High School to serve and support our English Learner population who are new to the country districtwide.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All CVUSD students have access to appropriate California State approved curriculum in all content areas. Students in special education use the same state adopted materials that are used in the general education classrooms as well as supplemental materials and out of level materials when needed and designated in a student's IEP. English Learners receive instruction in content areas using standards-based instructional materials for designated and integrated teaching of the ELD standards.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All CVUSD classroom curriculum is Board approved in all subject areas. During this process, general education and special education teachers review and pilot materials to evaluate them based on our local needs and their alignment to state standards. Intervention materials from the adopted curricula are utilized for students requiring additional support, along with additional research-based, state standards-aligned digital and print materials. Teachers receive training in the implementation of these materials with fidelity.

CVUSD teachers and schools employ Tier 2 interventions, in addition to Tier 1 instruction, for students who demonstrate a need for additional support. These intervention materials are aligned to the state standards. English learners are provided with intervention programs, including Smarty Ants and Imagine Learning designed for English Learners and EL instructional strategies for elementary and middle school students. Students with disabilities use various online programs (eg. Seesaw, Boom Cards, UNIQUE) to determine which one provides for the highest level of student engagement and access.

Guided Studies classes are provided at the middle school level to support students in ELA and Math. At the high school level, various intervention strategies are implemented for students including academic academies, IXL Math and Oasis classes for academic support in ELA, math and other content areas. An online tutoring program has also been created for peer tutoring in various academic areas.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

CVUSD teachers employ a range of instructional strategies to engage all students in meeting the California State Standards. District and school site staff regularly review, analyze, and develop actions based on data for “overall” student performance and also by the achievement of all student groups. Every secondary school employs forms of Professional Learning Communities (PLCs) to engage in on-going steps to support underperforming students in the regular program. CVUSD’s LCAP Goal 1 provides secondary schools with funding to provide targeted academic intervention for any underperforming student before, during, or after-school.

Evidence-based educational practices to raise student achievement

The following research-based educational practices are utilized: Universal Design for Learning, Multi-Tiered Systems of Support (MTSS), PLC’s, Designated and Integrated ELD, differentiated instruction, Webb’s Depth of Knowledge, guided reading, academic language instruction, formative assessment, co-constructed rubrics, corrective feedback, learning goals, check for understanding, student investigations, inquiry-based learning, Science of Reading and cooperative learning.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Site Bilingual Facilitators, School Social Workers, and Title 1 Outreach Assistants provide support to parents/families to support student engagement. They provide training and support related to Canvas, Zoom, and Seesaw for families. In addition, they support families in creating a successful home learning environment, as well as trauma and mental health resources. English as a Second Language classes for parents are offered during the school year through Title 1 Outreach. Student Support Services department provides ongoing parent webinars to connect parents to school and to understand developing programs. In addition, parents are encouraged to participate in trainings provided by Project 2Inspire staff where they present information about the US school system and other relevant topics.

A CVUSD team member reached out to all families experiencing homelessness in the month of August. The purpose of the outreach was to determine if the students had access to school supplies, clothing/toiletries and to provide any needed support with the return to school. This personal outreach was also intended to share the name and contact information of their student's school site foster and homeless liaison.

In September, the District foster and homeless liaison worked with each site liaison to reach out to foster and homeless student/family to check in on students attendance and to introduce themselves to their school liaison . The District liaison serves as a connection to community agencies that are able to provide additional support in the areas of temporary housing, rent assistance, and free meals. The District liaison personally connects families to the community agencies in the area of need. Throughout the school year, the school site foster and homeless liaisons will connect with foster and homeless students/families every month to assess attendance, general well-being, and any change in needs.

The Dean of Student Support services attends the District McKinney/GATE/EL meetings for resource information that can be used for our students and families on our sites. School counselors attend their meetings for information as well.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Sequoia Middle School has an active Parent Teacher Association (PTA), School Site Council (SSC), and English Language Advisory Council (ELAC). These leadership bodies help set the goals of the school and actively work to increase parent involvement on campus. SSC and ELAC oversee the creation, implementation, and evaluation of Sequoia's SPSA during their regularly-scheduled meetings, all of which are open to the public. Parents have many involvement opportunities and representation through School Site Council (SSC), our English Language Advisory Council (ELAC) along with Parent Education classes facilitated by our Outreach Assistant and community partnerships, and our Parent Teacher Association (PTA). Parents are also encouraged to volunteer at school and attend events. Our Special Education District Advisory Council (SEDAC) representatives offer involvement and connection opportunities for parents. Sequoia's Middle School parent DAC, GATE-DAC, and DELAC representatives participate in district-level meetings and report back to SSC and ELAC, enriching our district-site level communication.

Sequoia Middle Schools PTSA supports school wide activities that promote student connections, inclusion, and diversity. PTSA also works in conjunction with our student leadership (ASB and WEB) to promote: Red Ribbon Week, Abilities Awareness Week, Inclusive Schools Week, Unity Day, Hispanic Heritage Month, Talent Show, 5K and much much more!

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Categorical Funds in CVUSD:

Title III/EIA funds are used to provide additional support and technology in the classroom.

Title II/EEF funds are used to provide professional development opportunities for teachers. ELAC has approved the use of these funds.

LCFF monies are all tied to LCAP goals and approved by our leadership team and school site council.

See goals and budget pages as part of SPSA.

Fiscal support (EPC)

The site receives federal funding in the form of Title III, Title II, and Title I (if you're a Title I school).

All fiscal decisions are constructed through ELAC and EL team meetings. All other funds come from LCFF. See goals and budget pages as part of SPSA."

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Sequoia Middle School's Involvement Process for the SPSA and Annual Review and Update included the following steps:

1.. On Wednesday's (once a month) throughout the 2022-2023 school year (Sept 21, Oct 19, Nov 16 of 2022 and Jan 18, Feb 15, March 15, May 17 of 2023) the School Site Council met and discussed the progress of SPSA goals/monitoring and updated/modified the action items when necessary. The amendments were recorded on the actions goals in the SPSA.

2.. On May 24, 2023, the SSC met to review and update SPSA goals, actions items, and review the 23/24 budgets.

3.. On May 25, 2023 K. DiDomizio met with DELAC and SEDAC parent representative to discuss SPSA goals for SWD and EL population for the 23/24 SPSA document.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA-and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Conclusions based on this data:

1. The percentage of students who identify as Hispanic/Latino increased from 32.53% in 2019 - 2020 to 37.0% in 2020 - 2021.
2. The percentage of students who identify as White decreased from 53.35% in 2019 - 2020 to 49.5% in 2020 - 2021.
3. The total student enrollment for Sequoia Middle School has decreased from from 960 in 2018 - 2019 to 920 in 2020 - 2021.

Fluent English Proficient (FEP)	129	112	119	14.0%	12.7%	14.0%
Reclassified Fluent English Proficient (RFEP)	4			2.6%		

Conclusions based on this data:

1. The overall percentage of English Learners (EL) increased from 10% in 2018 - 2019 to 16.7% in 2020 - 2021. This signifies that we are enrolling and/or identifying more students who receive English Learner supports. The types of supports that are being provided to ELs include: Designated ELD, integrated ELD, communication between school and home through ELAC meetings, professional development opportunities on ELD strategies for teachers, Achieve 3000 and Rosetta Stone for EL.
2. The percentage of students who were reclassified increased from 3.1% in 2019 - 2020 to 7.9% in 2020 - 2021. A goal and action steps to address EL, and EL reclassification, can be found under goal 4.
3. The percentage of students who were classified as Fluent English Proficient decreased from 14.7% in 2019 - 2020 to 14.0% in 2020 - 2021. A goal and action steps to address EL, and EL reclassification, can be found under goal 4.

Conclusions based on this data:

1. In Spring 2020, school districts were permitted to select their own end of year assessments aligned with California State Standards in lieu of traditional CAASPP testing. For Grades 3-8, the above "School and Student Performance Data" for 20-21 reflects CVUSD's administered and approved local assessments in English Language Arts and Mathematics. Overall and grade-level student performance data is available and reported above.
2. In Spring 2021, there was a total of 186 7th grade students who participated in the Spring ELA Benchmarks. This is compared to 240 6th graders and 282 8th graders. We had difficulty with 7th grade students logging into the remote testing sessions. Several email notifications were sent to families communicating testing logistics. In addition, time was provided to students in class however, several remote teachers in 7th grade were not Sequoia teachers.
3. On the Spring 2021 ELA Benchmark 44.6 % of 6th grade student met or exceeded the standard, 60.2 % of 7th grade student met or exceeded the standard, 58.2 % of 8th grade students met or exceeded the standard. When comparing the three grade levels it is evident that the current 7th grade students will need intervention in English.

Conclusions based on this data:

1. The highest percentage of EL Level 1s and 2s can be found in 7th grade. This cohort of 7th grade students are receiving designated EL supports through ELD classes so that each student has two English classes. In addition, students are receiving additional intervention through their Social Studies classes to promote literacy and study skills

2. Our cohort of 8th Grade English Learners performed better on the reading and writing domain compared to the 6th and 7th grade EL. Collaboration between the 4 English Learner teachers will be important for vertical articulation purposes surrounding reading and writing in 6th and 7th grade.
3. Our cohort of 6th Grade English Learners performed better on the oral language domain compared to the 8th and 7th grade EL. Collaboration between the 4 English Learner teachers will be important for vertical articulation purposes surrounding oral language. Students need additional opportunities and scaffolds to speak in classroom settings.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

Filipino	6	0.7
Hispanic	336	38.1
Two or More Races	54	6.1
Pacific Islander	4	0.5
White	416	47.2

Conclusions based on this data:

1. In terms of Enrollment by Race/Ethnicity, our two largest student groups are White at 53.3% of the population and Hispanic at 32.5% of the population.
2. Approximately one third of our school is identified as Socioeconomically Disadvantaged (SED) at 31.9% of the total population. Based on this percentage of students who are identified as SED, many of the interventions that are being offered are part of the school day to allow for them to be more accessible to all students.
3. Of the total enrollment of 956, there are approximately 13.2% of students who are identified as English Learners. A goal addressing the needs of EL has been identified as part of the SPSA process.

School and Student Performance Data

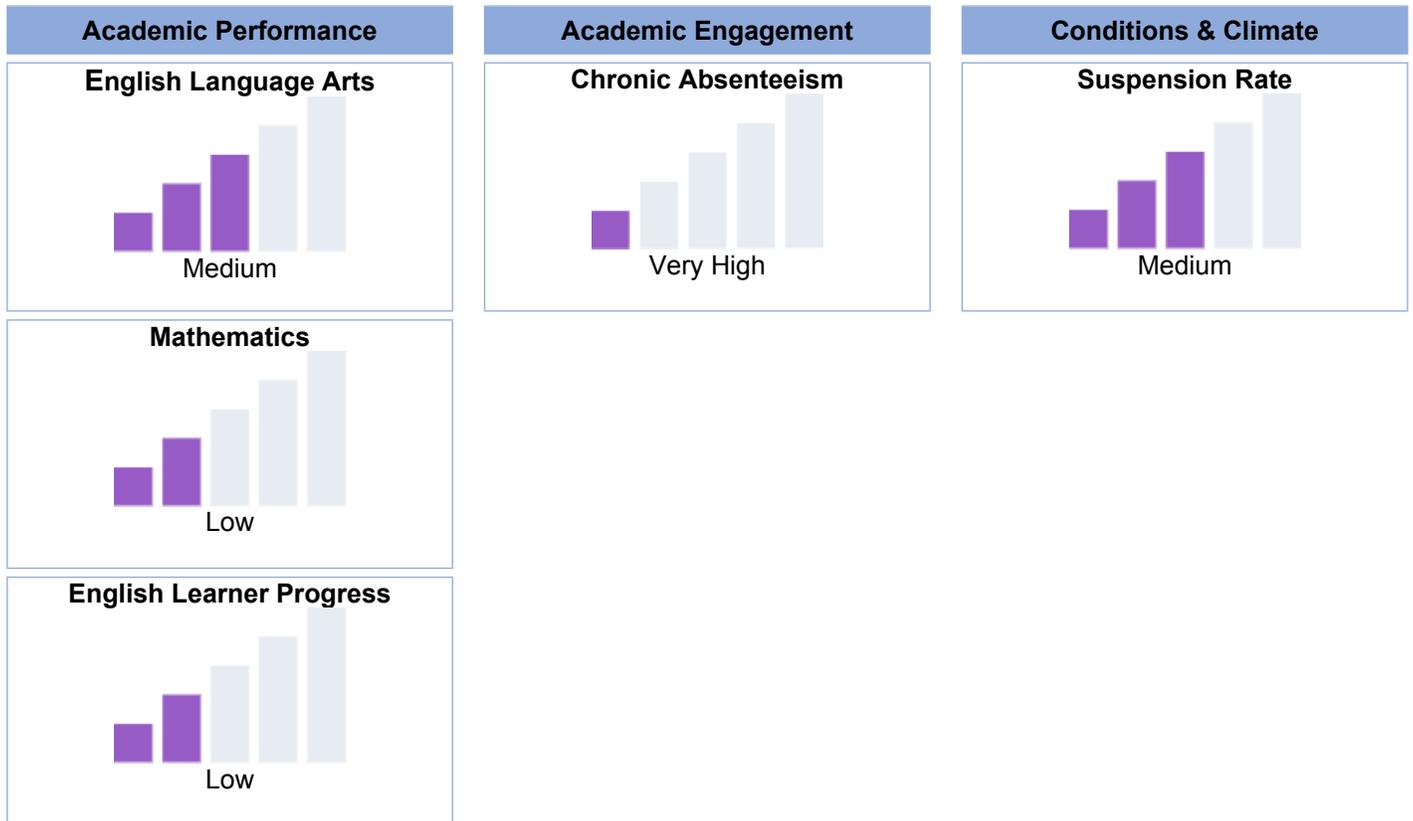

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

1. In terms of Overall Performance on the California Dashboard, English Language Arts CAASPP scores was an area of strength. We increased from an overall color of yellow to blue between the 2017 - 2018 to 2018 - 2019 school years. This could be due to the English department's participation and ownership of the Impact Team process that strengthens collective teacher efficacy and builds assessment capable learners.

2. In terms of Overall Performance on the California Dashboard, our suspension rates was also an area of strength. We increased from an overall color of range to green between the 2017 - 2018 to 2018 - 2019 school years. An increased use of other means of correction impacted the number of suspensions on campus. The introduction of a school wide SEL program also could have impacted the decrease in the number of suspensions.
3. In terms of Overall Performance on the California Dashboard, mathematics scores on the CAASPP continue to be an area that needs improvement as indicated by a score in the overall range of yellow, which is the same as 2017 - 2018 and 2018 - 2019. The math Impact Team is working hard to create formative assessments and to implement these consistently between teachers. The introduction of three co-taught math classes and only two (as opposed to 5) passport classes may also impact math scores in the upcoming school year.

Conclusions based on this data:

1. Our EL student group, increased from an overall score in the red during the 2017 - 2018 school year to an overall score in the yellow during the 2018 - 2019 school year. ELD teachers are implementing iLit and Rosetta Stone to help strengthen English language skills. ELD teachers are also participating in Impact Teams. This specific student group will be addressed with an overarching band and several sub-goals.
2. Our SWD student group, maintained their scores in the orange range between 2017 - 2018 and 2018 - 2019. The inclusion of more SWD into the general education setting, as well as interventions for all students, will help support this student group. In addition, the students with this student group are an area of focus and continued growth will be addressed with an overarching band and several sub-goals.
3. Our socioeconomically disadvantaged student group increased from an overall score in the orange during the 2017 - 2018 school year to an overall score in the yellow during the 2018 - 2019 school year. Many of these students also fall in the EL student group category. Interventions for academic needs as well as social-emotional needs can be found under goals 1 and 3.

2. Our SWD student group, maintained their scores in the red range between the 2017 - 2018 and 2018 - 2019 school years. The addition of three co-taught math classes will provide SWD more opportunities for inclusion with general education peers. The students within this student group are an area of focus and necessary growth will be addressed with an overarching band and several sub-goals.
3. Our socioeconomically disadvantaged student group, maintained their scores in the orange range between the 2017 - 2018 and 2018 - 2019 school years. Students within this student group will be provided with interventions both academic and social-emotional that are available for all students as shown in goals 1 and 3.

Conclusions based on this data:

- Based on an analysis of the Academic Performance of students on the ELPAC, a focus needs to be placed on ensuring high proficiency of the English Language for the 22.9% of students who scored within the Level 1 Beginning Stage. A sub-goal under band 4 will focus on language proficiency.
- Based on an analysis of the Academic Performance of students on the ELPAC, a focus also needs to be placed on ensuring high proficiency of the English Language for the 27.1% of students who scored within the Level 2 Somewhat Developed category. A sub-goal under band 4 will focus on language proficiency.
- Based on an analysis of the Academic Performance of students on the ELPAC, a focus needs to be placed on supporting academic content, as well as English language proficiency for the 50% of students who scored within the Level 4 Well Developed or Level 3 Moderately Developed stages. A sub-goal under band 4 will focus on language proficiency and academic achievement.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Positive Student Outcomes: Academic Growth

LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes -----

CVUSD LCAP GOAL 2: Ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes -----

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes -----

Goal 1

Implement targeted actions that support positive student outcomes with academic achievement for all students.

1. Increase by 2% the overall numbers of students who meet the standard on the CAASPP math in grades, 6, 7 and 8 during the 2023 - 2024 school year.
2. Increase by 2% the overall numbers of students who meet the standard on the CAASPP English Language Arts in grades, 6, 7 and 8 during the 2023 - 2024 school year.
3. Increase by 3% the overall number of students earning Renaissance (student incentive program that recognizes students for good grades, work habits and citizenship) at least one semester in each grade level during the 2023 - 2024 school year.
4. Decrease the overall number of D's and F's in semester 2 by 2% for each content area and grade level during the 2023 - 2024 school year as compared to the semester 2 2022 - 2023 school year.
5. 100% of teachers will participate in two days of professional development that may focus on instructional strategies (Canvas Integration, GATE, EL, SWD, Equity Training, Diversity, UDL, Grading for Mastery) during the 2022 - 2024 school year.
6. Teachers will have access to utilize the Canvas LMS for classroom instruction/student & parent access as well as utilizing CANVAS.

7. All departments will collaborate and discuss best practices in the classroom attend Professional Development conferences/trainings. This will include exploring the IB MYP as a school wide program in the 2023/2024 school year as a Professional Learning Community.

8. 1:1 Student Device Distribution- Students will be given access to devices in order to access curriculum

Identified Need

The current data based on benchmark assessments, the CA Dashboard, student grades and the number of students who earned Renaissance indicate that Sequoia Middle School needs to continue to focus on increasing positive student outcomes to increase overall academic achievement. This need exists because of a lack of significant academic progress as measured by CAASPP, the CA Dashboard and student grades on report cards.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

In the 2022/2023 school year, students were identified by teachers and counselors for additional support in ELA/Math. Sequoia added before school/after school/ lunch time homework assistance.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

SSC approved to purchase technology updates in the Sequoia Gymnasium. In the 2022/2023 school year, we purchased the items using ESSER 3 funds with installation being done in the 23/24 school year via the General fund.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The SSC met and discussed to continue this goal for the 2023-2024 school year and use this data to grow the metrics in the future after having two years of data. We will continue to grow with our school wide intervention programs which include, lunch interventions, CREW time interventions, Homework Help for ELD students, before and after school interventions, peer tutoring, two guided studies classes, smaller math and English classes to focus on re-teaching and remediation for students that are identified as needing this as per their assessments in the 23/24 school year. The process for writing the goals for the SPSA continues to be more collaborative and inclusive of stakeholder involvement and was started in the Spring of 2023.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Students with Disabilities/ATSI

LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes -----

CVUSD LCAP GOAL 2: Ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes -----

CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes -----

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes -----

Goal 2

Implement targeted actions that support positive student outcomes for Students With Disabilities.

1. Increase the number of SWD spending 80% or more of their day in general education classes (i.e. LRE) to 42% or greater during the 2023 - 2024 school year. Sequoia Middle School has two Specialized Programs on their campus.
2. Increase the number of SWD that meet the standard on the CAASPP/CAA ELA by 2% as measured during the 2023 - 2024 school year to address ATSI indicator.
3. Increase the number of SWD that meet the standard on the CAASPP/CAA Math by 2% as measured during the 2023 - 2024 school year to address ATSI indicator.
4. Provide 5 or more communications between SEDAC and Sequoia parents to reinforce access to resources (presentations, district information, community resources) as well as to encourage SWD and their families to participate in school activities during the 2022 - 2023 school year.
5. Decrease suspension rate of SWDs by 3% during the 2023 - 2024 school year.

6. Decrease the number of SWD receiving a D/F in English by 2% and in math by 2% as measured on semester 2 report card during the 2023 - 2024 school year.

7..Decrease the % of absenteeism with SWD to address ATSI.

Identified Need

ATSI indicated that Sequoia Middle School needs to focus on SWD in the following areas: ELA/Math and Absenteeism.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
1. SIRAS LRE Reports	22/23 data shows 40% of students are in 80% of Gen Ed classes; this does not include 2 specialized programs on campus (SDC/Autism). June 2023 (48/120 students)	42% SWD will be in 80% or higher in General Education by June 2024
2. CAASPP 2023 English Scores	SWD data: English CAASPP 2023 6th Grade 10 % Met or Exceeded Standards 7th Grade 15% Met or Exceeded Standards 8th Grade 18% Met or Exceeded Standards	SWD DATA: English CAASPP 2024 6th Grade 12% Met or Exceeded Standards 7th Grade 17% Met or Exceeded Standards 8th Grade 20% Met or Exceeded Standards
3. CAASPP 2023 Math Scores	SWD Data: Math CAASPP 2023 6th Grade 7 % Met or Exceeded Standards 7th Grade 3% Met or Exceeded Standards 8th Grade 4% Met or Exceeded Standards	SWD Schoolwide Data: Math CAASPP 2024 6th Grade 9 % Met or Exceeded Standards 7th Grade 5% Met or Exceeded Standards 8th Grade 6% Met or Exceeded Standards

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
4. SPSA Documentation	More than 12 communications were sent out during the 2022-2023 school year	Continue regular communications (12 or more) during the 2023-2024 school year
5. Dashboard and "Q" Connect	A total of 42 students were suspended in the 2022-2023 school year, 13 students were identified as SWD which results in 31% of students suspended were SWD.	Decrease the total number of students identified as SWD suspended by 5 students in the 2023-2024 school year.
6. "Q" Connect	Semester 2 data for 2022-2023 for SWD 49% of students with a disability earned a D or F in at least one class for Semester 2 in the 22-23 school year.	Semester 2 data for 2023-2024 scores for SWD- 35% of students with a disability earned a D or F in at least one class for Semester 2 in the 23-24 school year.

Co-Taught classes in the 2022-2023 school year which included: 7th /8th grade English and Math, as well as Co-Taught Careers class which is focused on implementing a peer mentor program for our Specialized Programs to promote inclusion, peer modeling, communication skills, as well as life skills. Sequoia Middle School participated in Abilities Awareness Week along with Inclusive Schools Week and Unity Day. Sequoia Middle School collaborated with the district inclusion TOSA to discuss concerns and best practices with co-teaching as well as collaborating with the district behaviorist. The implementation of UDL/Co-teaching was the focus in the 2022/2023 school year.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Specialized Program classes were given updated technology through site funds and district office support. Specialized Academic Instruction classes were given IXL in Science and Social Studies to support student learning and intervention.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

In the 2022-2023 school year, the focus throughout the year included: UDL, SEL, DEI. Sequoia will continue to support SWD and after school activities by funding paraprofessionals to support students as needed. An increase to focus on inclusion and training in UDL, technology and restorative practices was also added to this goal. Co-taught math and English classes for 7th and 8th grade as well as Careers will be added to the schedule for the 2022 - 2023 school year. Mrs. DiDomizio met with the SEDAC representative to discuss these goals for a much more collaborative and inclusive process for the SPSA process.

In the 2023/2024 school year Sequoia will offer two co-taught classes in electives to promote inclusion on campus. IXL was purchased as a resource for all students to address the ATSI action to increase student performance in ELA. Delta math and IXL Math will be used to address the ATSI action to increase student performance in Math. New for 2023/2024- Case Managers will be identifying students based on assessments/IEP data to enroll in an intervention class during CREW. Students will be eligible for the zero tardy recognition program to promote positive attendance to school as well as The Principals Challenge which promotes academics in all subject areas as well as promoting positive attendance. This is an entirely new goal, with corresponding actions/strategies, which seeks to address the chronic absenteeism rates of SWD as required by ATSI. The SPSA writing process was started in the Spring of 2023.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social-Emotional Learning / School Connectedness

LEA/LCAP Goal

CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes

Goal 3

Implement targeted actions that support social-emotional learning for all students.

1. Increase the number of students who feel connected to school to 50% or higher as demonstrated on the CREW survey at the end of each school year
2. 50% student participation in clubs, activities, and sports. All students have the ability to participate in one or more club/sport/activity during the school year
3. Provide to parents the opportunity to be involved in school activities (ELAC, GATE, PTA, 5k, SSC, Recognitions) by offering at least 10 opportunities for parents (through ELAC, GATE Parent Meetings and activities, teacher communication home, volunteer opportunities after fully opening, Awards Nights) during the 2023 - 2024 school year.
4. Provide communication to parents/community to promote school focuses (school culture, social emotional learning, student learning) and school events/programs via school website, principal newsletter, GATE newsletters, coffee talks, KA19 podcast, Twitter, Class Dojo, "Q" Connect, and email blasts at least 6 or more times a month during the 2023 - 2024 school year.
5. Increase the number of students who feel positive about school by 5% as measured on the CREW survey during the 2023 - 2024 school year.

6. Provide 6 or more opportunities to enrich/extend learning for students identified as GATE with up to 50% attendance of GATE students participating in each opportunity during the 2023 - 2024 school year.
7. Provide students with at least three activities/events per month that promotes inclusion, diversity, equity awareness and/or school connections during the 2023 - 2024 school year.
8. Decrease the overall number of students suspended by 5 (total count - not percentage) during the 2023 - 2024 school year.
9. Provide parents and students with information related to district support offering (including tutoring, wellness center, Canvas training, school counselors, "Q") as least five times during the 2023 - 2024 school year.
10. Provide parents and students with information related to the importance of school attendance at least five times during the 2023 - 2024 school year.
11. Continue to provide students with opportunities to the Wellness Counselor via referral process in the 2023-2024 school year.
12. School counselors will identify students for groups that support: Social/Emotional needs, academic needs, as well as behavior support needs as per the LCAP Tier 2 goal.

Identified Need

The current data indicates that 16% of the students indicated on the CREW survey that they did not feel extremely connected or somewhat connected to school. There were a total of 36 students suspended in the 2021-2022 school year for various behavior reasons. Sequoia Administration will be attending Restorative Practice trainings as well as the school counselors identifying and implementing support groups for students. Sequoia will continue to focus on SEL.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
1. CREW Survey (administered in Spring 2023)	21% of students indicated that they feel extremely connected to the people and/or activities at Sequoia and 62% of students indicated that they sometimes feel connected to the people and/or activities at Sequoia. This is a total of 83% students	90% or more of students will feel extremely or somewhat connected to school based on the 2023 - 2024 CREW survey.

8. "Q" Behavior Report	42 students were suspended in the 2022-2023 school year. This is 5 more students suspended than in the 2021-2022 school year.	Administrations goal is to focus on Restorative Practices when it comes to behavior/student discipline. The goal is to have 25 or less students suspended in the 2023-2024 school year.
9. Documentation of communication to families in Blackboard Connect.	Parents were provided with 3 or more communications related to district support offerings (tutoring, wellness center, Canvas, "Q") during the 2022 - 2023 school year via email or on school website.	We will continue to provide parents/guardians with 3 or more communications related to district support offerings (tutoring, wellness center, Canvas, "Q") during the 2023 - 2024 school year.
10. "Documentation of attendance information to families in Blackboard Connect.	During the 2022 - 2023 school year, information regarding the importance of school attendance was communicated at every quarter.	During the 2023 - 2024 school year, it is our goal that information regarding the importance of school attendance be sent home at least 6 or more times. We started with September 2023 highlighting attendance with the support of the Director of Student Support Services.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

CREW, Sequoia's schoolwide SEL model was implemented in the 2022/2023 school year with 100% of teachers participating in both Second Step implementation as well as SEL activities. ASB had active lunchtime activities, after school events, Teen Center sports, as well as various (10) active clubs on campus. There were 6 after school GATE activities, virtual parent information nights, and in person school tours for students and/or parents. School wide assemblies were in person this year which included: two rules review assemblies and a Veterans Day Assembly as well as two SEL focused assemblies that was funded by ESSER III.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Administration along with Associated Student Government added the Zero Tardy Recognition program as well as the Principals Challenge in the 2022/2023 school year. Both of these programs focused on attendance, behavior, and academics. Both these programs will continue in the 23/24 school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Goal 3 will include action steps related to implementing CREW school wide with the support of WEB leaders pushing in to classrooms to teach Second Step lessons as well as school counselors supporting the implementation of SEL/Second Step. Counselors will be working on a tiered approach for SEL across the campus to address the needs of all students and have classroom lessons scheduled every month to reach all grade levels per the SEL LCAP goal. Sequoia will continue to place an emphasis on activities that support inclusion, diversity, and school connections. Mrs. DiDomizio met with student leadership regarding this goal for a collaborative and inclusive stakeholder involvement throughout this process. The SPSA process started in the Spring of 2023.

Goals, Strategies, & Proposed Expenditures

Goal Subject

English Learners

LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes -----

CVUSD LCAP GOAL 2: Ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes -----

CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes -----

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes -----

Goal 4

Implement targeted actions that support positive student outcomes for English Learners.

1. Increase the number of ELs that meet the standard on the CAASPP ELA by 2% as measured during the 2023-2024 school year.
2. Increase the number of ELs that meet the standard on the CAASPP Math by 2% as measured during the 2023-2024 school year.
3. Increase the number of ELs who are reclassified to fluent English proficient to 10 students overall during the 2023-2024 school year.
4. Decrease the number of EL students receiving a D/F in English by 2% and in math by 2% as measured on semester 2 report card during the 2023-2024 school year.
5. Provide communication once a month (at least ten times total for the year) for EL students and to parents in order to promote participation in clubs and school activities by staff and student leadership communication using Blackboard Connect, phone calls and texts during the 2023-2024 school year.
6. Decrease suspension rate of ELs by 3% during the 2023-2024 school year.

7. Increase EL support to enable EL students to better access instruction in general education setting classes by providing at least 5 professional learning opportunities for teachers through trainings, staff meetings and in newsletters during the 2023-2024 school year.

Identified Need

The data indicates that 26 EL students were reclassified based on district criteria during the 2022-2023 school year

Also, out of 129 EL, 21.7% of students scored a Level 1, 21.7 students scored a Level 2, 40.3% of students scored a Level 3, and 16.3% of students scored a level 4 on the ELPAC. In addition, the data indicated that on the ELA CASSP 2019, 3% of 6th Grade EL met or exceeded the standards, 0% of 7th Grade EL met or exceeded the standards and 0% of 8th Grade EL met or exceeded the standards. For the math CASSP 2019, 0% of 6th Grade EL met or exceeded the standards, 0% of 7th Grade EL met or exceeded the standards and 5% of 8th Grade EL met or exceeded the standards. 52% of students suspended during the 2019 -2020 school year were identified as EL. This is an area that needs to be addressed in goal 3 and 4.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Delta Math, IXL Math, and Achieve 3000 was widely supported and utilized by the English/Math department at Sequoia that extended beyond the EL class and in our Intervention programs. . EL teachers implemented the Homework Help club for all EL students to receive additional support during lunch.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

2022/2023 all ELD students went to a field trip to Moorpark College/Zoo that was funded via the 0860 account. We were able to start the Homework Help club back as well as starting an after school and before school support class. In the 23/24 school year we do not have identified funds such as; 0860 but we will work closely with site budgets as well as the district office for any financial support.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Sequoia Middle School will continue to purchase licenses for Achieve 3000, Delta Math as well as using licenses from the district that include Literacy Pro and IXL Math. Sequoia Middle School has also purchased IXL English to support English interventions. Sequoia will continue to translate all documents going home for communication as well as securing translators for school wide events. Mrs.

DiDomizio met with the ELAC representative to discuss these goals for a much more collaborative and inclusive process for the SPSA. Administrators will implement more restorative practices to support students with behavior concerns when coming to the office. Bilingual Facilitator will also work with communicating with families for the ELOP program.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Learning Loss

LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes -----

CVUSD LCAP GOAL 2: Ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes -----

CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes -----

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes -----

Goal 5

Implement targeted actions that address learning loss (both academic and social emotional) associated with COVID-19 to support general education, SWD, EL, SED, McKinney Vento, Foster and GATE students.

1. Every teacher will participate in promoting SEL activities through CREW to address the social emotional side of learning loss to help with connecting students to school during the 2023- 2024 school year.
2. Students identified as exhibiting learning loss in math and/or English skills , based on teacher assessment/observations, will have the opportunity to participate in intervention during CREW, before/after school, lunch or as part of their schedule during the 2023-2024 school year.
3. 75% of students receiving intervention will pass at least 5/6 of their classes semester 2 during the 2023 - 2024 school year.
4. Extended Learning Opportunity Program; identified unduplicated students will be eligible for intercession intervention programs (winter break, spring break, summer school) and before/after school.
5. Provide before and after school interventions/homework assistance to all students
6. Provide lunch intervention/homework assistance to all students

Identified Need

In the 2022/2023 school year: 6th Grade: 36% received at least 1 D or F in Semester 2 of the 22-23 school year, 7th Grade: 38% received at least 1 D or F in Semester 2 of the 22-23 school year, 8th Grade: 31% received at least 1 D or F in Semester 2 of the 22-23 school year

Annual Measurable Outcomes

Metric/Indicator

1. Documentation of participation in CREW by Teacher Google Form Survey
2. D,F, I list from Semester 1 and 2 of the 23/24 school year.
3. List of students who received intervention and Semester 2 grades in "Q" during 2022-2023 school year placed in Intervention classes (Guided Studies/smaller English/math classes) in the 2023/2024 school year based on assessments, teachers feedback, data discussions.

Baseline/Actual Outcome

1. Teachers who completed the staff survey in the spring of 2023 indicated that they participated in the CREW model at Sequoia Middle School.
2. Interventions in the 2022/2023 school year included: Directed Studies, Before School and After School homework support, as well as several lunchtime opportunities for homework support. There was a total of 6 intervention classes during CREW that focused on math and ELA two days a week.
3. 71% students passed 5 or 6 out of 6 classes in semester 2 of the 22/23 school year.

Expected Outcome

1. 100% of teachers will participate in promoting SEL activities through CREW to address the social emotional side of learning loss to help with connecting students to school during the 2023-2024 school year.
2. Students exhibiting learning loss will be provided with intervention opportunities during the 2023 - 2024 school year.
3. 75% of students receiving intervention will pass 5/6 of their classes during the 2023 - 2024 school year.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Goal 5, which addresses learning loss, is in its third year. This goal is related to the learning loss students which include not only academics but also school connectedness, attendance, SEL.. The focus on Learning Loss will continue next year with additional interventions before and after school as well as peer tutoring programs and other school connectedness opportunities.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

In the 2022/2023 school year, schools were given ESSER III funds to focus on Learning Loss in two different areas. We will focus on expanding the intervention programs given to all students experiencing learning loss. This will include before school/after school/lunch time intervention opportunities as well as Guided Studies. We were able to hire a math teacher to teach a math intervention class for 6th graders in lieu of the Academic Specialist. To address grades, behavior, and attendance, administration added two recognition programs in order to bring more awareness in these areas to our students and families. The SSC also approved the additional hours from ESSER funds for the 22/23 school year as well as for the 23/24 school year. Site will need to identify funds if we would like to continue additional CSA hours to focus on positive student learning outcomes with the focus on keeping the campus safe for all students.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Additional interventions will be offered next year during CREW on Wednesdays and Thursdays in math and English to help support students who have demonstrated Learning Loss. English teachers will be using Achieve 3000 and math teachers will be using both IXL and Delta math to focus on supporting students in learning loss in these two areas. In the 23/24 school year, the team that attended CAPS training identified a need to change the intervention approach. For this school year, English/math classes will be offered in each grade level to address learning loss based on district wide assessments and teacher feedback. Teachers will be collaborating during PLC times to discuss assessments, test scores, student achievement using data from Q and classroom observations. Teachers will also be collaborating during the staff meeting times to focus on IB MYP implementation.

School Site Council Membership and Assurances

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school.

The (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The current make-up of the SSC is as follows:

- 1 School Principal
- 5 Classroom Teachers
- 3 Other School Staff
- 5 Parent or Community Members
- 2 Secondary Students

Name of Members	Role
Karla DiDomizio	Principal
Amy Hamaker	Classroom Teacher
Karin Hochevar	Classroom Teacher
Susan Schulte	Classroom Teacher
Kim Skellenger	Classroom Teacher
Karla Stevenson	Classroom Teacher
Jaime Taylor	Other School Staff
Kinsie Flame	Parent or Community Member
Cameo Carolan	Parent or Community Member
Lisa Soury	Parent or Community Member
Amy Zobel	Parent or Community Member
Elly Ruelas	Parent or Community Member
Lisa Barron	Parent or Community Member
Kelly Welch	Other School Staff
Martin Nichols	Other School Staff

Prselei Ruiz	Secondary Student
	Secondary Student

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Advisory Council Recommendations

While some CVUSD advisory council representatives may not be voting members of SSC, individuals from advisory councils provide an important voice to reflect the diverse needs of all students in CVUSD and at the school site. The SSC sought and considered all recommendations from the following representatives before adopting this plan::

Signature	Committee or Advisory Group Name
	District Advisory Committee Representative
	Gifted and Talented Education Program Advisory Committee Representative
	School Site Representative
	Special Education Advisory Committee Representative
	African American District Advisory Council Representative
	Lesbian, Gay, Bisexual, Transgender and Queer or Questioning (LGBTQ+) Advisory Council Representative
	Other: School Site Council Parent Representative

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 8/31/2022.

Attested:

Principal, Karla DiDomizio on 8/30/2023

SSC Chairperson, Susan Schulte on 8/30/2023

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
