1. Roll Call

Megan Triplett, Vaishali Bhargava, Lauren Cohen, Shane Haas, Rinat Medalsy, Karen Slimocosky, Marie Burdinski, Breanna Persaud, Diana Mareno, Emily Gillmore, Michelle Yee, Kanela Artavia

2. Public Forum

Marie asked how the forms for the lunch program are going? Ms. Triplett stated that these will need to be filled out every year and that they can still be completed.

Comment about spirit wear and it's popularity this year. Ms. Triplett mentioned that this vendor has a better selection. We will reopen it in December with more options.

3. Review and Approval of minutes

Motion was made by Marie and second by Emily. The motion was approved.

4. Committee Reports

a. PTA: Michelle Yee – We are filling volunteers for Fall Festival. Our membership drive is going well. We have about 300 signed up so far. We need everyone's support this year as we will be heading into next year with reduced funding due to the 25th anniversary additions this year.

b. DAC: Lauren Cohen – First DAC meeting was last Tuesday. We are on the cusp of losing our crossing guards. They are hired by the city. They need to see a minimum of 10 kids crossing which we are well over that amount. Parents can email Drew Pletcher who is in charge of the program. Conejo Schools Foundation to sponsor the Spelling Bee again this year. LR will be participating. October 18th is Unity Day and everyone should wear orange.

- c. ELAC – No report
- d. GATE: Kanela Artavia – We met last week. This year all DAC's have an opt in list. Parents must opt in to receive emails from the DAC reps. District will be hosting activities that are lottery based. This Thursday Mrs. Ackmann will host a GATE meeting. Lunch Bunch will be starting soon. Girls in Stem from WHS will be sponsoring activities as well.
- e. SEDAC – No report
- f. AADAC – No report
- g. LGBTQ – No report

5. Principal's Report

Parent Teacher Conferences are coming October 9-13. They default to 'in person' unless the parents request online to the teacher. No school on October 16th. Fall Festival is October 13th. Halloween Parade is on the 31st. Parents will not need to check in if you are not going to stay to volunteer. We will also have an alternate place for kids who do not wish to participate. The Stand fundraiser is tomorrow.

SPSA Update: We need to adjust some monies with the software. IXL is a bit too overwhelming for the younger students so we have added Reading Eggs for TK and K. We had to increase the licenses and also paid for early renewal.

ESR3 has allowed us to add more interventions and extra programs in classrooms. This will impact next year as we will not be receiving ESR3 funds. Currently it's about \$75,000 for Lang Ranch.

1st and 2nd grade intervention starts on 10/2. All other grades will begin after Parent Teacher Conferences.

Odyssey is starting to build now. Makerspace and Art will be open during lunch sporadically.

Noetic Math – sign up with LAR for the contest – otherwise the rest is on your own.

We will be going over the safety plan at the next meeting.

Meeting adjourned at 3:40pm
Next Meeting: Wednesday, September 19th
