Stakeholder Engagement and Input

Engagement:

- 26 School Site Council meetings
- 1200 responses to community-wide survey
- 2 Reopen and Redesign meetings
- Communication with labor partners

Most Common Input Themes:

- Provide mental health services to students
- Address learning loss through targeted supports and interventions
- Increase staffing to allow for smaller class sizes and individualized instruction
- Provide instruction and enrichment during the summer

Next Steps

- The ELOG Plan requires Board of Education adoption
- Required to submit ELOG Plan to VCOE by June 1, 2021
