BOARD OF EDUCATION
RESOLUTION #22/23-29

APPLICATION FOR FUNDING SCHOOL FACILITY PROGRAM
FOR COLINA AND SEQUOIA MIDDLE SCHOOLS

WHEREAS, the Board of Education (“School Board”) has determined that school facilities within the Conejo Valley Unified School District (“District”), within Ventura County need to be modernized; and;

WHEREAS, the State Allocation Board (SAB) has established an “Applications Received Beyond Bond Authority List” for projects that have been received.

Pursuant to Title 2, Code of California Regulations section 1859.95.1, the School Board of the Conejo Valley Unified School District hereby acknowledges the following:

- (1) The Board acknowledges that the remaining School Facility Program bond authority is currently exhausted for the funds being requested on these applications.
- (2) The Board acknowledges that the State of California is not expected nor obligated to provide funding for the project(s) and the acceptance of the applications(s) does not provide a guarantee of future State funding.
- (3) The Board acknowledges that any potential future State bond measures for the School Facility Program may not provide funds for the application being submitted.
- (4) The Board acknowledges that criteria (including, but not limited to, funding, qualifications, and eligibility) under a future State school facilities program may be substantially different than the current School Facility Program. The district’s Approved Application(s) may be returned.
- (5) The Board acknowledges that they are electing to commence any pre-construction or construction activities at the district’s discretion and that the State is not responsible for any pre-construction or construction activities.
- (6) The Board acknowledges that, if bond authority becomes available for the SAB to provide funding for the submitted application(s), the School District must apply for financial hardship status
