

CUPCCAA

CALIFORNIA UNIFORM PUBLIC CONSTRUCTION COST ACCOUNTING ACT

Public Contract Code – PCC

Division 2. General Provisions [1100-22355]

Part 2. Contracting by Local Agencies [20100 – 22178]

Chapter 2. Bidding on Public Contracts [22000 – 22045]

PURPOSE OF TODAY'S PRESENTATION

- To inform the Board of Education and the public.
- To provide an overview of contracting procedures related to public works projects.
 - Includes Measure I projects as well as projects funded from other sources.
- To give the Board of Education and public an opportunity to provide input and feedback.

WHAT IS CUPCCAA?

- Enacted in 1983 to help promote “uniformity of the cost accounting standards and bidding procedures on construction work performed or contracted by public entities in the state.”
- An alternative bidding procedure for when an agency performs public project works by contract or purchase order
- Voluntary program available to all public entities in the State.
- Provides public agencies economic benefits and greater freedom to expedite public works projects using qualified contractors.

QUALIFYING CONTRACTORS

- Qualified contractors are licensed by the State to perform the subject work.
 - Must have current and active license from Contractor's State License Board
 - Must be registered as a Public Works Contractor with the Department of Industrial Relations (DIR)
- Qualifying contractors is a process that allows contractors to register with a public agency for notification of public works opportunities.
 - Contractors may register with CVUSD on the District's Planning & Facilities web page.

PROJECT NOTIFICATION

- For all projects over \$60,000, school districts are required to publicly advertise once, 14 days in advance of bid opening.
- CVUSD advertises all projects on the District's Planning & Facilities web page and contractors on the District's CUPCCAA list are solicited for proposals.
- Lowest qualified bidder receives the contract, BOE approves the award.

CUPCCAA COST LIMITATIONS

- As of January 1, 2019:
 - Updated policy 3311.1 on BOE agenda for January 22, 2019 (information) and February 5, 2019 (action)
 - Public projects of \$60,000 or less may be performed by negotiated contracts.
 - Public projects of \$200,000 or less may be contracted by informal bidding procedures.
 - Public projects of more than \$200,000 shall be contracted by formal bidding procedures.
- Executed CUPCCAA contracts are endorsed by the office of the Ventura County Superintendent of Schools
- Job splitting is not permitted. All “like work” must be advertised and bid as one project according to the provisions of the Act.

Bidding Opportunities

Welcome to the Facilities listing for bidding opportunities

This page is intended to provide vendors who are doing business with the District or would like to do business with the District with current information on projects and our contracting requirements. Listed below are the projects that we have out for bid and the projects that are currently underway. We will be adding more information to this page so please visit often. Feel free to send us your questions, comments, and suggestions for making this page more useful to you at dhanna@conejovalley.org. It is our intent to be an "owner of choice" for contractors doing business in the Conejo Valley.
