

Search for high-quality doctors nearby and compare costs

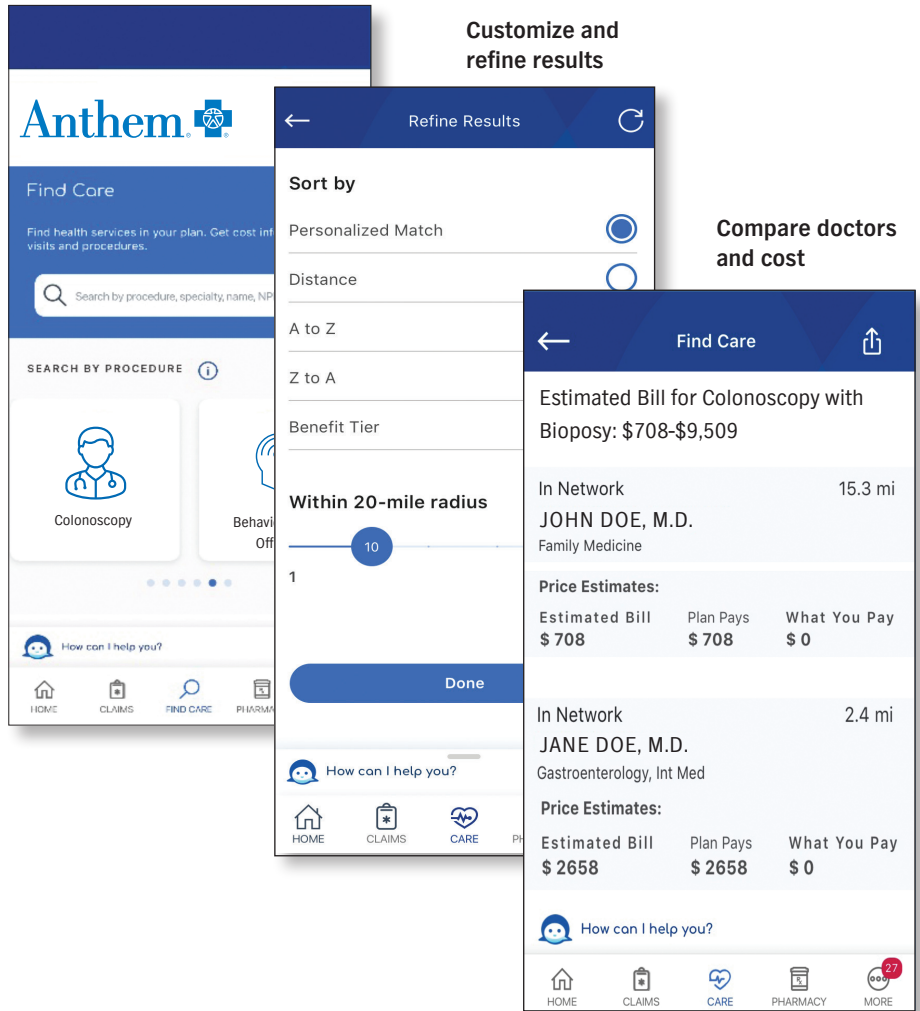

Choosing a doctor you trust is important – and choosing one in your plan’s network can keep your costs down. Using **Find Care** on the SydneySM Health mobile app and [anthem.com/ca](https://www.anthem.com/ca) can help you meet both needs.

Customizing your search

Find Care brings together details about doctors, hospitals, and labs in your plan’s network. You can customize your search by name, specialty, or procedure. You can also compare information such as costs, languages spoken, and office hours.*

To make sure your facility and service are in your plan’s network, view the doctor or facility profile.
