Professional Learning

LCAP Goal 2 - *Ensure staff is provided with targeted professional development and has an understanding that all job responsibilities are structured to support positive student outcomes. (Internal Focused)*

2019-2020: New model of professional development. Staff development days are now pupil-free days on 8/19/19, 11/1/19, 3/16/20.

Professional Learning

“How can we support educational access for all students?”

Universal Design For Learning: UDL is a mindset that addresses the variability of our students by intentionally removing barriers to learning. This mindset is supported by research and incorporates many of our current teaching practices. Learn more at: bit.ly/LearnMoreCVUSD

IABs - During **2018-19** we had elementary, Middle & High School use the Interim Assessment Blocks through the [CAASPP Website](#) to determine progress, allow students to practice for the Summative Exams and ultimately inform instruction in the classroom.

For **2019-20**, all schools will be expanding their use of interim assessments and using this data to inform instruction throughout the year.
