

SUMMER SCHOOL OPPORTUNITIES

Conejo Valley Unified School District is proud to support its students' diverse academic needs, and ambitions. As such, the district is providing a listing of the many different opportunities for students to continue their education during the summer months.

Students may choose to enroll in a summer school program for acceleration and/or credit recovery purposes.

Students may enroll in any accredited summer school program and earn up to 20 credits towards graduation. Examples of available programs are listed below.

CVUSD Credit Recovery Summer School

Students may enroll in CVUSD's free credit recovery summer school, if they qualify, with guidance from their assigned high school counselors. Any student who earns a D or an F should enroll in the CVUSD Credit Recovery Summer School program. This program is for students that need to repeat one or two semesters of a course in order to raise their grade.

APEX Learning *

APEX is an online high school and a fully accredited, private, high school academy that offers full- and part-time options to students who need a high quality, alternative education. Two-thirds of our students are referred by their schools or other families.

IvyTech Charter

IvyTech Charter School is modifying and advancing the educational paradigm for the 21st century learner. The "Blended Learning Model" provides students with the opportunity to participate in a traditional classroom setting, a virtual classroom with online instruction, and receive assistance through social media. Our teachers are equipped with the technological tools, curricula and pedagogy to educate today's students using 21st century tools.

BYU High School Courses *

BYU Independent Study courses offer opportunities for credit recovery at the high school level. Course enrollment is open to anyone, at any time of year, with a year to complete most courses. Because of our accreditation and quality courses, credits from Independent Study can be transferred to most educational institutions across the nation and around the world.

Conejo Schools Foundation Get Ahead Program *

Get Ahead Program courses will be held in either a Synchronous Learning Model, which will utilize a set schedule of class meeting times each day through a virtual online platform, or in an Asynchronous Model, which will allow students to access, complete, and submit course materials within a daily schedule that the student sets for themselves. These learning models will utilize a virtual, online platform to support the instruction and delivery of material by the instructor.

IMPORTANT:
If students choose to take any course in summer school outside the CVUSD, please let your student's counselor know ASAP so they may alter the student's schedule for the next year.

*Please note that an * next to a program name indicates that it is a fee based program.*

NOTE: This list is neither an endorsement of or recommendation for any particular program or school. It is the student/parent responsibility to determine if the program/school/course they choose is accredited/if a transcript and credits and a grade or grades are going to be provided. It is also the responsibility of the student/parent to ensure that the final transcript from the program/school is provided to the CVUSD school upon completion (if the student/parent wants the grade or grades on the transcript). It is also the responsibility of the student/parent to pay any fees or tuition required by/associated with any program/school they choose. It is the responsibility of the student/parent/guardian to confirm that any course completed is UC A-G compliant and meets the WASC & NCAA regulations and requirements.
