**PARENT SUPPORT/BOOSTER ORGANIZATION  
APPLICATION FOR REAUTHORIZATION – YEAR 2021/2021**

I understand and agree that all officers of this booster club are expected to:

- (1) Appropriately support all staff who have responsibility for the program or activity being supported by this booster club,
- (2) Appropriately support all student participants,
- (3) Promote appropriate, supportive behavior and sportsmanship among all members of the booster club, and
- (4) Adhere to all regulations pertaining to AB 1575 (Student Fees) (**see below\***)

**\*Section 5 of Article IX of the State of California Constitution guarantees students a “free public education.”** The State Supreme Court concluded in the 1984 case of Hartzell v. Connell (35 Cal.3d.899 (1984)), “that all educational activities carried on by public school districts, extra-curricular as well as curricular, must be without cost to the students who participate in such activities.” This same ruling found that “mandatory fees for participating in such extra-curricular activities as drama, music, and athletic competition were illegal under the State Constitution.” Furthermore, they also rejected the argument that “fees could be charged so long as the district waived fees for students who were financially unable to pay.”

**I have examined this application and have been advised on AB 1575 regulations by site administration. To the best of my knowledge this application is accurate and complete.**
